

City Fiber Optic Network

- December 2025 City Council “Rejected all Bids” for this project.
 - All bids were over \$2.1 million, almost \$1 million over budgeted amount of \$1.25 million.
- Staff made minor project scope adjustments and would like to complete the project in the current budget year.
 - Using Arizona State Cooperative Contract allow us to reduce the procurement timeframe and still meet this goal.
- Staff recommendation is to use BPG Designs, LLC utilizing the Arizona State Cooperative Contract #CTR075703 in the Amount of \$1,281,506.17.
- Scheduled for Consent Agenda tomorrow night, unless otherwise directed by City Council.
