

Apache Junction Police Department Memorandum

Date: September 5, 2023

To: Mayor Chip Wilson and City Council

From: Chief Michael Pooley

Subject: Purchase from Motorola Solutions -Portable and mobile police radios.

The Apache Junction Police Department (AJPD) is requesting a purchase with Motorola Solutions for (101) new N70 portable radios and (24) APEX 6500 vehicle radios. These would replace all the radios that do not accept updated software or programming any longer, the units were purchased in 2007 to 2009. The old units will then be deprogrammed and auctioned off following city policy.

This purchase contract will be using budgeted funds in fiscal year 24 capital improvement plan budget. The purchase cost for (101) portable radios would be \$842,763.60 and \$174,551.52 for the mobile radios.

Thank you for your consideration.
