Development Services Planning has no zoning related conflicts with this request. The B-2 zone allows restaurants and bars outright. The restaurant/bar use at this location has been in existence for many years and will, apparently, continue as such under new ownership. Planning recommends in favor of the liquor license.

Good Afternoon All,

Attached is an updated application for Taco Giro. It was brought to my attention by the Dept of Liquor License and Control that information was missing on the first version they submitted to the Clerk's office.

Feel free to reach out to me with any questions.

Thank you,
