Evie:

Development Services has no objections to the proposed beer and wine bar. Tenant improvement remodeling plans have been submitted as of 5-17-23, which also indicate a "food prep area". Please advise applicant that the use cannot begin until the plans are reviewed, approved, and a permit is issued. Subsequent to passing inspections, a certificate of occupancy shall be provided to the proprietor and then the use can begin.

Thank You,

Rudy Esquivias
