Since 2010, Small Business Saturday® has been a day designated to highlight the importance of America's small business owners and to show extra support for these entrepreneurs. To help commemorate their contribution to our economic well-being, the Economic Development Department encourages the City of Apache Junction City Council to proclaim Saturday, November 25, 2023, as Small Business Saturday®. Many of the local retail, restaurant, and service businesses are featured on our www.VisitAJ.com website and we encourage all residents, visitors, and workers to continue supporting these businesses in Apache Junction.
