After reviewing the application and noting that the business already holds a license and this is merely a change in agents, the AJPD has no concerns at this time other than what's listed in your email "currently this license has pending applications".

Good Afternoon,

The City Clerk's office has received the attached Series 009 Liquor Store liquor license application. This is a new application to change agents.

Please conduct your safety, security, ADA compliance and other inspections and submit your department recommendations to me by noon on Wednesday, May 14, 2025, in order for this item to be on the June 3, 2025, City Council meeting.

Please note we are inquiring with the Arizona Department of Liquor about the note on page one stating "Currently, this license has pending applications."

Thank you!
