Community Facilities District No. 2.

Zach Sakas, Esq. of Greenberg Traurig, outside counsel of the Superstition Vistas Community Facilities District No 2. presented to the Board the general obligation bond series 2025 for Public Hearing regarding the feasibility for the project. The bonds are to finance large sewer improvements along the Meridian Road alignment in an amount not to exceed \$2.5 million. The bonds will reimburse a portion of what the developers spent so there will be another request for funding in the future. The interest rate is not to exceed 8% but is expected to be much lower. Residents are unable to prepay the bonds because they are levied over time. Resolution No.

SVCFD2 2025-008 will approve all the necessary bond documents.

Boardmember Heck asked for clarification about the feasibility report.

Mr. Sakas responded that the feasibility is at the Boards determination if the project is eligible.

Boardmember Heck inquired if Mr. Sakas, as the attorney for the developers determines the financing information.

Mr. Sakas informed he represents the District, and the Board conducts a Public Hearing to determine the feasibility of the project.

Mr. Busby informed Council that Mr. Sakas represents the District, not the developer.
