Evie:

Development Services Planning has no zoning related conflicts with this request. The B-2 zone allows restaurants and bars outright. The restaurant/bar use has been in existence for many years and will, apparently, continue under new ownership. Planning recommends in favor of the liquor license.

**Subject:** Taco Giro Liquor License Application

Good Afternoon,

The City Clerk's office has received the attached INP Interim Permit liquor license application. I do have a call into the Az DLLC inquiring on this Series Type. But I do know this is for a new owner.

Please conduct your safety, security, ADA compliance and other inspections and submit your department recommendations to me by **noon on Wednesday, January 3, 2024**, in order for this item to be on the **January 16, 2024**, City Council meeting.

Thank you,

Evie McKinney
