Subject: Case 570MXT Construction Equipment

The city was contacted by the Town of Eagar inquiring if we had equipment that was past our useful life and ready for auction. The city purchased a Case 570MXT construction grade box tractor scraper in 2007 and it was determined that this equipment had exceeded our scheduled capital replacement and was ready for auction. The transfer of the equipment would be mutually beneficial to both entities.

Staff recommends entering into an Intergovernmental Agreement with the Town of Eagar for the transfer of equipment.
