

Public Works Department
City of Apache Junction
Home of the Superstition Mountains

Date: February 17, 2026
To: Mayor and Members of the City Council
Through: Bryant Powell, City Manager
Mike Loggins, Public Works Director
From: Andy Amado, Public Works Superintendent
Subject: Consideration of SST25-19 Award of Bid

A recent request for bids was conducted for asphalt emulsion to be used for in-house street maintenance chip seal operations. This work is in support of city's FY26 CIP & Street Maintenance Plan. The bid opening was held on Thursday, December 10, 2025, at 2:00 p.m. where the following bid proposals were received. All bid proposals were reviewed for responsibility and responsiveness, proven technical ability/merit, financial viability and pricing. Staff request city council to give consideration of award of contract to C.R. Contracting, LLC dba C.R. Contracting.

C.R. Contracting	\$1,725.00/ton
Cholla Pavement	\$1,800.00/ton

Resulting one year contract after renewals could attain a maximum value of \$500,000 over the five-year term. The city performs on average of \$200,000 worth of chip seal maintenance a year. Staff recommends entering into an agreement with C.R. Contracting, LLC dba C.R. Contracting for five years in an amount not to exceed \$500,000.
