

Subscription Services Addendum

This Subscription Services Addendum to the Communications System and Services Agreement or other previously executed and currently in force agreement, as applicable (“Primary Agreement”) is entered into between Motorola Solutions, Inc., with offices at 500 W. To the extent there is a conflict or inconsistency between the terms and conditions of the SSA and an associated Ordering Document, the terms and conditions of the Ordering Document will take precedence over the SSA. 2. Delivery of Subscription Services.

2.1. Delivery. During the applicable Subscription Term (as defined below), Motorola will provide to Customer the Subscription Services set forth in an Ordering Document, with a Go Live Date of June 30, 2024, in accordance with the terms of this SSA. Motorola will provide Customer advance notice (which may be provided electronically) of any planned downtime. Delivery will occur upon Customer's receipt of credentials required for access to the Subscription Services or upon Motorola otherwise providing access to the Subscription Services. If agreed upon in an Ordering Document, Motorola will also provide Services related to such Subscription Services.

2.2. Modifications. Motorola may modify the Subscription Services, any associated recurring Services and any related systems so long as their functionality (as described in the applicable Ordering Document) is not materially degraded. Documentation for the Subscription Services may be updated to reflect such modifications. For clarity, new features or enhancements that are added to any Subscription Services may be subject to additional Fees.

2.3. User Credentials. If applicable, Motorola will provide Customer with administrative user credentials for the Subscription Services, and Customer will ensure such administrative user credentials are accessed and used only by Customer's employees with training on their proper use. Customer will protect, and will cause its Authorized Users to protect, the confidentiality and security of all user credentials, including any administrative user credentials, and maintain user credential validity, including by updating passwords. Customer may be liable for any use of the Subscription Services through such user credential (including through any administrative user credentials), including any changes made to the Subscription Services or issues or user impact arising therefrom. To the extent Motorola provides Services to Customer in order to help resolve issues resulting from changes made to the Subscription Services through user credentials, including through any administrative user credentials, or issues otherwise created by Authorized Users, such Services will be billed to Customer on a time and materials basis, and Customer will pay all invoices in accordance with the payment terms provided herein.

2.4. Beta Services. If Motorola makes any beta version of a software application ("**Beta Service**") available to Customer, Customer may choose to use such Beta Service at its own discretion, provided, however, that Customer will use the Beta Service solely for purposes of Customer's evaluation of such Beta Service, and for no other purpose. Customer acknowledges and agrees that all Beta Services are offered "as-is" and without any representations or warranties or other commitments or protections from Motorola. Motorola will determine the duration of the evaluation period for any Beta Service, in its sole discretion, and Motorola may discontinue any Beta Service at any time. Customer acknowledges that Beta Services, by their nature, have not been fully tested and may contain defects or deficiencies.

2.5. Equipment Title. Unless Customer is purchasing equipment pursuant to the terms in the Primary Agreement and unless stated differently in this SSA or in the Ordering Documents, title to any Equipment provided to Customer in connection with the Subscription Services remains vested in Motorola at all times. Any sale of equipment pursuant to this SSA will be governed by the terms and conditions set forth in the Primary Agreement.

3. Subscription Software License, Restrictions, and Obligations.

3.1. Subscription Software License. Subject to Customer's and its Authorized Users' compliance with this SSA, including payment terms, Motorola hereby grants Customer and its Authorized Users a limited, non-transferable, non-sublicenseable, and non-exclusive license to use the Subscription Software identified in an Ordering Document, and the associated Documentation, solely for Customer's internal business purposes. The foregoing license grant will be limited to use in the territory and to the number of licenses set forth in an Ordering Document (if applicable), and will continue for the applicable Subscription Term. Customer may access, and use the Subscription Software only in Customer's owned or controlled facilities, including any authorized mobile sites; provided, however, that Authorized Users using authorized mobile or handheld devices may also log into and access the Subscription Services remotely from any location. No custom development work will be performed under this Addendum.

3.2. End User Licenses. Notwithstanding any provision to the contrary in this SSA, certain Subscription Software is governed by a separate license, EULA, or other agreement, including terms governing third-party software, such as open source software, included in the Subscription Software. Customer will comply, and ensure its Authorized Users comply, with such additional license agreements.

3.3. Customer Restrictions. Customers and Authorized Users will comply with the applicable Documentation and the copyright laws of the United States and all other relevant jurisdictions in connection with their use of the Subscription Services. Customer will not, and will not allow others including the Authorized Users, to make the Subscription Software and Subscription Services available for use by unauthorized third parties, including via a commercial rental or sharing arrangement; reverse engineer, disassemble, or reprogram software used to provide the Subscription Software or Subscription Services or any portion thereof to a human-readable form; modify, create derivative works of, or merge the Subscription Software or software used to provide the Subscription Software or Subscription Services with other software; copy, reproduce, distribute, lend, or lease the Subscription Software, Subscription Services or Documentation for or to any third party; take any action that would cause the Subscription Software, software used to provide the Subscription Services, or Documentation to be placed in the public domain; use the Subscription Software or Subscription Services to compete with Motorola; remove, alter, or obscure, any copyright or other notice; share user credentials (including among Authorized Users); use the Subscription Software or Subscription Services to store or transmit malicious code; or attempt to

gain unauthorized access to the Subscription Software, Subscription Services or its related systems or networks.

3.4. Customer-Provided Equipment. Customer will be responsible, at its sole cost and expense, for providing and maintaining the Customer-Provided Equipment in good working order. Customer represents and warrants that it has all rights in Customer-Provided Equipment to permit Motorola to access and use the applicable Customer-Provided Equipment to provide the Subscription Services under this SSA, and such access and use will not violate any laws or infringe any third-party rights (including intellectual property rights). Customer (and not Motorola) will be fully liable for Customer-Provided Equipment, and Customer will immediately notify Motorola of any Customer-Provided Equipment damage, loss, change, or theft that may impact Motorola's ability to provide the Subscription Services under this SSA, and Customer acknowledges that any such events may cause a change in the Fees or performance schedule under the applicable Ordering Document.

3.5. Non-Motorola Content. In certain instances, Customer may be permitted to access, use, or integrate Customer or third-party software, services, content, and data that is not provided by Motorola (collectively, "Non-Motorola Content") with or through the Subscription Services. If Customer accesses, uses, or integrates any Non-Motorola Content with the Subscription Services, Customer will first obtain all necessary rights and licenses to permit Customer's and its Authorized Users' use of the Non-Motorola Content in connection with the Subscription Services. Customer will also obtain the necessary rights for Motorola to use such Non-Motorola Content in connection with providing the Subscription Services, including the right for Motorola to access, store, and process such Non-Motorola Content, and to otherwise enable interoperation with the Subscription Services. Customer represents and warrants that it will obtain the foregoing rights and licenses prior to accessing, using, or integrating the applicable Non-Motorola Content with the Subscription Services, and that Customer and its Authorized Users will comply with any terms and conditions applicable to such Non-Motorola Content. If any Non-Motorola Content require access to Customer Data (as defined below), Customer hereby authorizes Motorola to allow the provider of such Non-Motorola Content to access Customer Data, in connection with the interoperation of such Non-Motorola Content with the Subscription Services. Customer acknowledges and agrees that Motorola is not responsible for, and makes no representations or warranties with respect to, the Non-Motorola Content (including any disclosure, modification, or deletion of Customer Data resulting from use of Non-Motorola Content or failure to properly interoperate with the Subscription Services). If Customer receives notice that any Non-Motorola Content must be removed, modified, or disabled within the Subscription Services, Customer will promptly do so. Motorola will have the right to disable or remove Non-Motorola Content if Motorola believes a violation of law, third-party rights, or Motorola's policies is likely to occur, or if such Non-Motorola Content poses or may pose a security or other risk or adverse impact to the Subscription Services, Motorola, Motorola's systems, or any third party (including other Motorola customers). Nothing in this Section will limit the exclusions set forth in Section 14.3 – Intellectual Property Infringement of the Primary Agreement.

4. Term.

4.1. Subscription Terms. The duration of Customer's subscription to the Subscription Services and any associated recurring Services ordered under this SSA (or the first Subscription Services or recurring Service, if multiple are ordered at once) will commence upon delivery of such Subscription Services (and recurring Services, if applicable) and will continue for a twelve (12) month period or such longer period identified in an Ordering Document (the "**Initial Subscription Period**"). Following the Initial Subscription Period, Customer's subscription to the Subscription Services and any recurring Services will automatically renew for additional twelve (12) month periods (each, a "**Renewal Subscription Year**"), unless either Party notifies the other Party of its intent not to renew at least thirty calendar (30) days before the conclusion of the then-current Subscription Term. (The Initial Subscription Period and each Renewal Subscription Year will each be referred to herein as a "**Subscription Term**".) Motorola may increase Fees prior to any Renewal Subscription Year. In such case, Motorola will notify Customer of such proposed increase no later than ninety (90) calendar days prior to commencement of such Renewal Subscription Year. Unless otherwise specified in the applicable Ordering Document, if Customer orders any additional or subsequent Subscription Services or recurring Services under this SSA during an in-process Subscription Term, the subscription for each such additional or subsequent Subscription Services or recurring Service will (a) commence upon delivery of such Subscription Services or recurring Service, and continue until the conclusion of Customer's then-current Subscription Term (a "**Partial Subscription Year**"), and (b) automatically renew for Renewal Subscription Years thereafter, unless either Party notifies the other Party of its intent not to renew at least thirty (30) days before the conclusion of the then-current Subscription Term. Thus, unless otherwise specified in the applicable Ordering Document, the Subscription Terms for all Subscription Services and recurring Services hereunder will be synchronized.

4.2. Term. The term of this SSA (the "**SSA Term**") will commence upon either (a) the Effective Date of the Primary Agreement, if this SSA is attached to the Primary Agreement as of such Effective Date, or (b) the SSA Date set forth on the signature page below, if this SSA is executed after the Primary Agreement Effective Date, and will continue until the expiration or termination of all Subscription Terms under this SSA, unless this SSA or the Primary Agreement is earlier terminated in accordance with the terms of the Primary Agreement.

4.3. Termination. Notwithstanding the termination provisions of the Primary Agreement, Motorola may terminate this SSA (or any Addendum or Ordering Documents hereunder), or suspend delivery of Subscription Services or Services, immediately upon notice to Customer if (a) Customer breaches **Section 3 – Subscription Software License and Restrictions** of this SSA, or any other provision related to Subscription Services terms of service, Subscription Software license scope, or other terms set forth in an Addendum or Ordering Document, or (b) it determines that Customer's use of the Subscription Services poses, or may pose, a

security or other risk or adverse impact to any Subscription Services, Motorola, Motorola's systems, or any third party (including other Motorola customers). Customer acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Subscription Services and Documentation, and that Customer's breach of this SSA will result in irreparable harm to Motorola for which monetary damages would be inadequate. If Customer breaches this SSA, in addition to termination, Motorola will be entitled to all available remedies at law or in equity (including immediate injunctive relief).

4.4. Return of Discount. If Customer is afforded a discount in exchange for a term commitment longer than one-year, early termination by Customer will result in an early termination fee, representing a return of the discount off of list price.

4.5. Cancellation Fee. If a minimum Initial Subscription Period applies and Customer terminates prior to the end of the minimum Initial Subscription Period, Customer will be required to pay a cancellation fee prorated for the remaining balance of subscription fees for the minimum Initial Subscription Period.

4.6. No Refund. If a subscription is terminated for any reason prior to the end of the Subscription Term, other subscription period set forth in the Ordering Documents, or otherwise agreed to in writing by the Parties, no refund or credit will be provided, except that Motorola's failure to abide by the Go Live date of June 30, 2024 will result in a full refund and acts as termination of contract by customer.

4.7. Suspension of Services. Motorola may terminate or suspend any Subscription Services or Services under an Ordering Document if Motorola determines: (a) the related Subscription Software license has expired or has terminated for any reason; (b) the applicable Subscription Services is being used on a hardware platform, operating system, or version not approved by Motorola; (c) Customer fails to make any payments when due; or (d) Customer fails to comply with any of its other obligations or otherwise delays Motorola's ability to perform.

4.8. Wind Down of Subscription Services. In addition to the termination rights in the Primary Agreement, Motorola may terminate any Ordering Document and Subscription Term, in whole or in part, in the event Motorola plans to cease offering the applicable Subscription Services or Services to customers.

4.9. Effect of Termination or Expiration. Upon termination for any reason or expiration of the Primary Agreement, this SSA, an Addendum, or an Ordering Document, Customer and the Authorized Users will return or destroy (at Motorola's option) all Motorola Materials and Motorola's Confidential Information in their possession or control and, as applicable, provide proof of such destruction. If Customer has any outstanding payment obligations under this SSA, Motorola may accelerate and declare all such obligations of Customer immediately due and payable by Customer. Notwithstanding the reason for termination or expiration, Customer must pay Motorola for Subscription Services already delivered. The parties both have a duty to mitigate any damages under this SSA, including in the event of default by Motorola and Customer's termination of this SSA.

5. Payment.

5.1. Payment. Unless otherwise provided in an Ordering Document (and notwithstanding the provisions of the Primary Agreement), Customer will prepay an annual subscription Fee set forth in an Ordering Document for each Subscription Services and associated recurring Service, before the commencement of each Subscription Term. For any Partial Subscription Year, the applicable annual subscription Fee will be prorated based on the number of months in the Partial Subscription Year. The annual subscription Fee for Subscription Services and associated recurring Services may include certain one-time Fees, such as start-up fees, license fees, or other fees set forth in an Ordering Document. Motorola will have the right to suspend the Subscription Services and any recurring Services if Customer fails to make any payments when due.

5.2. No Price Guarantee. Notwithstanding any language to the contrary, the pricing and Fees associated with this SSA will not be subject to any most favored pricing commitment or other similar low price guarantees.

5.3. Taxes. The Fees do not include any excise, sales, lease, use, property, or other taxes, assessments, duties, or regulatory charges or contribution requirements (collectively, "Taxes"), all of which will be paid by Customer in accordance with Arizona Article 9, Section 7 and when except as exempt by law, unless otherwise specified in an Ordering Document. If Motorola is required to pay any Taxes, Customer will reimburse Motorola for such Taxes (including any interest and penalties) within thirty (30) calendar days after Customer's receipt of an invoice therefore. Customer will be solely responsible for reporting the Subscription Services for personal property tax purposes, and Motorola will be solely responsible for reporting taxes on its income and net worth.

5.4. Invoicing. Motorola will invoice Customer at the frequency set forth in the applicable Addendum or Ordering Document, and Customer will pay all invoices within thirty (30) calendar days of the invoice date or as otherwise specified in the applicable Addendum or Ordering Document. Late payments will be subject to interest charges at the maximum rate permitted by law, commencing upon the due date. Motorola may invoice electronically via email, and Customer agrees to receive invoices via email at the email address set forth in an Ordering Document. Customer acknowledges and agrees that a purchase order or other notice to proceed is not required for payment for the Subscription Services.

5.5. License True-Up. Motorola will have the right to conduct an audit of total user licenses credentialed by Customer for any Subscription Services during a Subscription Term, and Customer will cooperate with such audit. If Motorola determines that Customer's usage of the Subscription Services during the applicable Subscription Term exceeded the total number of licenses purchased by Customer, Motorola may invoice Customer for the additional licenses used by Customer, pro-rated for each additional license from the date such license was activated, and Customer will pay such invoice in accordance with the payment terms in the Primary Agreement.

6. Liability.

6.1. Limitation of Liability. Except for personal injury or death, Motorola's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, indemnification, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the price of twelve (12) months of Services preceding the incident giving rise to the claim with respect to all subscription or other ongoing Services and unless as otherwise provided under the applicable Addenda.

6.2. ADDITIONAL EXCLUSIONS.

The subscription services are provided "as is" in addition to the exclusions from damages set forth in the primary agreement, and notwithstanding any provision of primary agreement to the contrary, Motorola will have no liability for (A) interruption or failure of connectivity, vulnerabilities, or security events; (B) disruption of or damage to customer's or third parties' systems, equipment, or data, including denial of access to users, or shutdown of systems caused by intrusion detection software or hardware; (C) availability or accuracy of any data available through the subscription software or services, or interpretation, use or misuse thereof; (D) tracking and location based services; (E) beta services; (F) customer data, including transmission to Motorola, or any other data available through the subscription services; (G) customer provided equipment, non Motorola content, the sites, or third party equipment, hardware, software, data or other third party materials, or the combination of subscription services with any of the foregoing; (H) loss of data or hacking; (I) modification of subscription services by any person other than Motorola; (J) recommendations provided in connection with the subscription services; (K) data recovery services or database modifications; or (L) customer's or any authorized user's breach of this SSA or misuse of the subscription services. Notwithstanding the foregoing, if damages are caused by the negligence of Motorola, Motorola's cyber insurance will be used to pay Customer's damages.

6.3. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed or excluded issues in the Primary Agreement or **Section 6.1 – Additional Exclusions** above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses, including by paying Motorola any Fees set forth in an Ordering Document for such Services, if applicable.

7. Proprietary Rights; Data; Feedback.

7.1. Motorola Materials. Customer acknowledges that Motorola may use or provide Customer with access to software, tools, data, and other materials, including designs, utilities, models, methodologies, systems, and specifications, which Motorola has developed or licensed from third parties (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, or derivative works of the foregoing, whether made by Motorola or another party) (collectively, "Motorola Materials"). The Subscription Services, Motorola Data, Third-Party Data, and Documentation, are

considered Motorola Materials. Except when Motorola has expressly transferred title or other interest to Customer by way of an Ordering Document or under the Primary Agreement, the Motorola Materials are the property of Motorola or its licensors, and Motorola or its licensors retain all right, title and interest in and to the Motorola Materials (including, all rights in patents, copyrights, trademarks, trade names, trade secrets, know-how, other intellectual property and proprietary rights, and all associated goodwill and moral rights). For clarity, this SSA does not grant to Customer any shared development rights in or to any Motorola Materials or other intellectual property, and Customer agrees to execute any documents and take any other actions reasonably requested by Motorola to effectuate the foregoing. Motorola and its licensors reserve all rights not expressly granted to Customer, and no rights, other than those expressly granted herein, are granted to Customer by implication, estoppel or otherwise. Customer will not modify, disassemble, reverse engineer, derive source code or create derivative works from, merge with other software, distribute, sublicense, sell, or export the Subscription Services or other Motorola Materials, or permit any third party to do so.

7.2. Ownership of Customer Data. Customer retains all right, title and interest, including intellectual property rights, if any, in and to Customer Data. Motorola acquires no rights to Customer Data except those rights granted under this SSA including the right to Process and use the Customer Data as set forth in Section 7.3 – Processing Customer Data below and in other applicable Addenda. The Parties agree that with regard to the Processing of personal information which may be part of Customer Data, Customer is the controller and Motorola is the processor, and may engage sub-processors pursuant to Section 7.3.3 – Sub-processors.

7.3. Processing Customer Data.

7.3.1. Motorola Use of Customer Data. To the extent permitted by law, Customer grants Motorola and its subcontractors a right to use Customer Data and a royalty-free, worldwide, non-exclusive license to use Customer Data (including to process, host, cache, store, reproduce, copy, modify, combine, analyze, create derivative works from such Customer Data and to communicate, transmit, and distribute such Customer Data to third parties engaged by Motorola) to (a) perform Services and provide Subscription Services under this SSA, (b) analyze the Customer Data to operate, maintain, manage, and improve Motorola products and services, and (c) create new products and services. Customer agrees that this SSA, along with the Documentation, are Customer's complete and final documented instructions to Motorola for the processing of Customer Data. Any additional or alternate instructions must be agreed to according to the Change Order process. Customer represents and warrants to Motorola that Customer's instructions, including appointment of Motorola as a processor or sub-processor, have been authorized by the relevant controller.

7.3.2. Collection, Creation, Use of Customer Data. Customer further represents and warrants that the Customer Data, Customer's collection, creation, and use of the Customer Data (including in connection with the Subscription Services), and Motorola's use of such Customer Data in accordance with this SSA, will not

violate any laws or applicable privacy notices or infringe any third-party rights (including intellectual property and privacy rights). Customer also represents and warrants that the Customer Data will be accurate and complete, and that Customer has obtained all required consents, provided all necessary notices, and met any other applicable legal requirements with respect to collection and use (including Motorola's and its subcontractors' use) of the Customer Data as described in this SSA.

7.3.3. Sub-processors. Customer agrees that Motorola may engage sub-processors who in turn may engage additional sub-processors to Process personal data in accordance with this SSA. When engaging sub-processors, Motorola will enter into agreements with the sub-processors to bind them to data processing obligations to the extent required by law.

7.4. Data Retention and Deletion. Except for anonymized Customer Data, as described above, or as otherwise provided under this SSA, Motorola will delete all Customer Data following termination or expiration of this SSA, the applicable Addendum, or Ordering Document, with such deletion to occur no later than ninety (90) calendar days following the applicable date of termination or expiration, unless otherwise required to comply with applicable law. Any requests for the exportation or download of Customer Data must be made by Customer to Motorola in writing before expiration or termination, subject to Section 17.7 – Notices of the Primary Agreement. Motorola will have no obligation to retain such Customer Data beyond expiration or termination unless the Customer has purchased extended storage from Motorola through a mutually executed Ordering Document.

7.5. Service Use Data. Customer understands and agrees that Motorola may collect and use Service Use Data for its own purposes, including the uses described below. Motorola may use Service Use Data to (a) operate, maintain, manage, and improve existing and create new products and services, (b) test products and services, (c) to aggregate Service Use Data and combine it with that of other users, and (d) to use anonymized or aggregated data for marketing, research or other business purposes. Service Use Data may be disclosed to third parties. It is Customer's responsibility to notify Authorized Users of Motorola's collection and use of Service Use Data and to obtain any required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to such collection and use, and Customer represents and warrants to Motorola that it has complied and will continue to comply with this Section.

7.6. Third-Party Data and Motorola Data. Motorola Data and Third-Party Data may be available to Customer through the Subscription Services. Customer and its Authorized Users may use Motorola Data and Third-Party Data as permitted by Motorola and the applicable Third-Party Data provider, as described in an Ordering Document or Subscription Services-specific Addendum. Unless expressly permitted in the applicable Addendum, Customer will not, and will ensure its Authorized Users will not: (a) use the Motorola Data or Third-Party Data for any purpose other than Customer's internal business purposes; (b) disclose the data to third parties; (c) "white label" such data or otherwise misrepresent its source or

ownership, or resell, distribute, sublicense, or commercially exploit the data in any manner; (d) use such data in violation of applicable laws; (e) remove, obscure, alter, or falsify any marks or proprietary rights notices indicating the source, origin, or ownership of the data; or (f) modify such data or combine it with Customer Data or other data or use the data to build databases. Additional restrictions may be set forth in the applicable Addendum. Any rights granted to Customer or Authorized Users with respect to Motorola Data or Third-Party Data will immediately terminate upon termination or expiration of the applicable Addendum, Ordering Document, or this SSA. Further, Motorola or the applicable Third-Party Data provider may suspend, change, or terminate Customer's or any Authorized User's access to Motorola Data or Third-Party Data if Motorola or such Third-Party Data provider believes Customer's or the Authorized User's use of the data violates this SSA, applicable law or Motorola's agreement with the applicable Third-Party Data provider. Upon termination of Customer's rights to use any Motorola Data or Third-Party Data, Customer and all Authorized Users will immediately discontinue use of such data, delete all copies of such data, and certify such deletion to Motorola. Notwithstanding any provision of this SSA to the contrary, Motorola will have no liability for Third-Party Data or Motorola Data available through the Subscription Services. Motorola and its Third-Party Data providers reserve all rights in and to Motorola Data and Third-Party Data not expressly granted in an Addendum or Ordering Document.

7.7. Feedback. Any Feedback provided by Customer is entirely voluntary, and will not create any confidentiality obligation for Motorola, even if designated as confidential by Customer. Motorola may use, reproduce, license, and otherwise distribute and exploit the Feedback without any obligation or payment to Customer or Authorized Users and Customer represents and warrants that it has obtained all necessary rights and consents to grant Motorola the foregoing rights.

7.8. Improvements; Products and Services. The Parties agree that, notwithstanding any provision of this SSA or Primary Agreement to the contrary, all fixes, modifications and improvements to the Subscription Services conceived of or made by or on behalf of Motorola that are based either in whole or in part on the Feedback, Customer Data, or Service Use Data (or otherwise) are the exclusive property of Motorola and all right, title and interest in and to such fixes, modifications or improvements will vest solely in Motorola. Customer agrees to execute any written documents necessary to assign any intellectual property or other rights it may have in such fixes, modifications or improvements to Motorola.

7.9. Motorola as a Controller or Joint Controller. In all instances where Motorola acts as a controller of data, it will comply with the applicable provisions of the Motorola Privacy Statement at https://www.motorolasolutions.com/en_us/about/privacy-policy.html#privacystatement, as may be updated from time to time. Motorola holds all Customer Contact Data as a controller and shall Process such Customer Contact Data in accordance with the Motorola Privacy Statement. In instances where Motorola is acting as a joint controller with Customer, the Parties will enter into a

separate Addendum to the Primary Agreement to allocate the respective roles as joint controllers.

8. Security.

8.1. Industry Standard. Motorola will maintain industry standard security measures to protect the Subscription Services from intrusion, breach, or corruption. During the term of this SSA, if the Subscription Services enables access to Criminal Justice Information (“CJI”), as defined by the Criminal Justice Information Services Security Policy (“CJIS”), Motorola will provide and comply with a CJIS Security Addendum. Any additional security measure desired by Customer may be available for an additional fee.

8.2. Background checks. Motorola will require its personnel that access CJI to submit to a background check based on submission of FBI fingerprint cards.

8.3. Customer Security Measures. Customer is independently responsible for establishing and maintaining its own policies and procedures and for ensuring compliance with CJIS and other security requirements that are outside the scope of the Subscription Services provided. Customer must establish and ensure compliance with access control policies and procedures, including password security measures. Further, Customer must maintain industry standard security measures. Motorola disclaims any responsibility or liability whatsoever for the security or preservation of Customer Data or Customer Contact Data once accessed or viewed by Customer or its representatives. Motorola further disclaims any responsibility or liability whatsoever that relates to or arise from Customer's failure to maintain industry standard security measures and controls, including but not limited to lost or stolen passwords. Motorola reserves the right to terminate the Subscription Services if Customer's failure to maintain or comply with industry standard security and control measures negatively impacts the Subscription Services or Motorola's own security measures.

8.4. Breach Response Plan. Both parties will maintain and follow a breach response plan consistent with the standards of their respective industries.

9. General Provisions.

9.1. Third-Party Beneficiaries. This SSA is entered into solely between, and may be enforced only by, the Parties. Each Party intends that this SSA will not benefit, or create any right or cause of action in or on behalf of, any entity other than the Parties. Notwithstanding the foregoing, a licensor or supplier of third-party software included in the software Products will be a direct and intended third-party beneficiary of this SSA.

9.2. Cumulative Remedies. Except as specifically stated in this SSA, all remedies provided for in this SSA will be cumulative and in addition to, and not in lieu of, any other remedies available to either Party at law, in equity, by contract, or otherwise. Except as specifically stated in this SSA, the election by a Party of any remedy provided for in this SSA or otherwise available to such Party will not preclude such

The Service and/or features may not be available in all areas. The Service is only available within each applicable calling plan coverage area, within the operating range of the wireless systems, and with equipment that is authorized to operate on Verizon's network.
