An application for a Series 10 Beer and Wine Store Liquor License has been submitted by Agent Kevin Kramber for Apache Shell, located at 1571 W. Apache Trail, Apache Junction, AZ 85120.

The Arizona Department of Liquor Licenses and Control received the application on August 1, 2025, and the Apache Junction City Clerk's Office received the application from them the same day.

The applicant was notified by a first-class letter and e-mail of the public hearing and was encouraged to attend to address any questions council may have. A Notice of Public Hearing was posted at the establishment on August 6, 2025, to comply with state law requirements.

Correspondence related to inspections of the premises for safety and code compliant matters have been received from the Apache Junction Police Department, Building and Safety Division, Planning and Zoning Department, and the Superstition Fire and Medical District. All four entities find compliance with the inspection requirements and recommend approval. Their responses are attached to Legistar for your review.

The city council may now make a recommendation for approval or denial to the Arizona State Liquor Licenses and Control on this application. This recommendation must take place within sixty (60) days of the filing of the application, therefore must be done by September 30, 2025.
