Dear Mr. John

Covershots Mobile Canopies International, LLC, to our knowledge, is the sole producer and seller/distributor of Mobile Canopies that can come equipped motorized and with a Retractable Top. We are unique in this product category in that we are able to offer mobile canopies that have retractable systems. Covershots is also the only qualified installer of Covershots Mobile Canopies using our trained Technicians to perform the work.

We are classified as a sole source vendor with municipalities throughout the United States.

Please feel free to contact me at any time with any questions or if additional information is needed.
