	<b>PURCHASING ITEM FOR WATER BOARD AGENDA</b>	<b>Agenda Item Number:</b>
		<b>Water Board Meeting Date:</b> September 16, 2025
<b>TO: CHAIRPERSON AND WATER BOARD</b>		<b>Date Prepared:</b> September 1, 2025
<b>THROUGH: MIKE LOGGINS</b>		<b>Requesting Department:</b> Apache Junction Water District
<b>SUBJECT:</b> Construction Agreement Project No. WD 2025-03 with MGC Contractors, Inc. for the Phase 1 Water Campus 2 Booster Pump Station Replacement.		
<b>RECOMMENDATION:</b> Staff recommends the Water Board award Construction Agreement Project No. WD 2025-03 to MGC Contractors, Inc. for the Phase 1 Water Campus 2 Booster Pump Station Replacement in the amount of \$2,623,296.74.		
<b>BACKGROUND/DISCUSSION:</b> The project scope of work consists of replacing the booster pumps and electrical gear at Water Campus 2. The booster pumps are over 20 years old and are at the end of their useful life. The contractor will be installing two (2) replacement cans for booster and two (2) new cans for future booster pumps. The electrical building will house three (3)3 new VFDs and SCADA control panels for all four (4) booster pumps. The existing booster pump station and electrical gear will be removed.  The contract completion time is 300 calendar days following approval.		
<b>EVALUATION:</b> The selection process was conducted using the City of Peoria JOC Water Wastewater Treatment & Remote Facilities contract P23-0057B. The costs for this project have been evaluated by staff and determined to be reasonable.		
<b>FINANCIAL IMPLICATIONS:</b> <b>Cost:</b> \$2,623,296.74 <b>Savings:</b> N/A <b>Long Term Costs:</b> N/A		
<b>FUND SOURCE:</b> The project was budgeted for Fiscal Year 2025-2026.		
<b>PROPOSED MOTION:</b> Move the Water Board award Construction Agreement Project No. WD 2025-03 to MGC Contractors, Inc., for the Phase 1 Water Campus 2 Booster Pump Station Replacement in the amount of \$2,623,296.74.
