Resolution 23-27 Ordering the Installation of Streetlights within the SLID
Resolution 23-28 Adopting the SLID Budget for Fiscal Year 2023-2024

REQUEST

Consideration and approval of SLID No. 2023-SV-BR-1 Blossom Rock Phase 1.

BACKGROUND

The creation of a Streetlight Improvement District ("SLID") is a means whereby the power expenses of streetlights are paid by the levy and collection of taxes based on the number of properties within the SLID. SLIDs are created by the initial submittal of a petition to the city to form a SLID, and the subsequent approval of three separate resolutions: 1) the intent to form a SLID; 2) ordering the installation of streetlights within the SLID, and 3) setting forth the initial annual SLID budget.

The 554 residential parcels of Blossom Rock Phase 1 have been approved. All 554 lots within Phase 1 are currently owned by Brookfield Properties Development who submitted to the city a Unanimous Petition for the SLID along with an exhibit showing the boundary of the SLID. The above three described resolutions will be on the consent agenda at the October 17, 2023 city council regular meeting for final approval.

RECOMMENDATION

Staff respectfully requests mayor and city council to approve Resolution 23-26, Resolution 23-27, and Resolution 23-28 on consent agenda at the October 17, 2023 council meeting.
