---

Memorandum To: Honorable Mayor and Members of City Council  
Memorandum Through: Liz Langenbach, Parks and Recreation Director  
Bryant Powell, City Manager  
Memorandum From: Jamie Sullivan, Recreation Superintendent  
Date: May 21<sup>st</sup>, 2026  
Subject: Third Amendment to the Professional Service Agreement for Senior Transportation

On August 1<sup>st</sup>, 2017, The City of Apache Junction entered into an agreement with Central Arizona Council On Developmental Disabilities (“CACDD”) to provide transportation services to our senior and disabled populations. Transportation services included: transportation to and from the MGC for weekday lunch, medical and shopping trips.

This program is funded through Central Area Aging, grants, participant donations and the general fund.

The notable changes in this amendment are:

- Increase in daily transportation from \$240 per day to \$275 per day
- Transportation for individual services (medical/shopping) will increase from \$8 per mile to \$10 mile and from \$25 per hour to \$40 per hour. *This service is rarely needed.*
- Added fee for extended service area-*if needed*
- Added language and fee to accommodate if a second vehicle is required

With the rising cost of fuel, personnel cost and a broader service area, staff feel this is a fair adjustment.

This is a vital program providing various transportation options to the senior community. The partnership with CACDD has been very successful and staff recommend this amendment for council’s approval.
