Subject: Presentation and Discussion Project # HFS23-05

City staff plans to present and open for discussion the consideration of award of contract to Weems Asphalt for project no. HFS23-05 for the reconstruction of City's Fuel Island pavements for a not to exceed amount of \$139,342.47. Work would result in the reconstruction of cement and asphalt concrete that surrounds the fuel island currently in very poor condition. The work will result in access restrictions to the facility for three weeks but no closure is anticipated. Work is planned within the November – February 2023-24 timeframe.

The funding source are monies budgeted within the current fiscal year's Highway User Revenue Funds (HURF).
