SUBJECT: JUSTSERVE CITY DESIGNATION

Background/Discussion

JustServe is an organization that links individuals to local service projects. The JustServe City Award is a recognition designed to honor cities that demonstrate a commitment to volunteering and have made a significant impact in their community through these efforts.

The City has met all criteria for the JustServe City Award designation. At the November 11, 2024 City Council Meeting, Mayor Wilson proclaimed the City of Apache Junction's commitment to volunteerism. The proclamation was then transmitted to JustServe. The City has also listed service opportunities online and on Justserve.org.

JustServe has reached out to the City to confer to the City the JustServe City Award.
