TO: MAYOR AND CITY COUNCIL MEMBERS

THROUGH: BRYANT POWELL, CITY MANAGER

FROM: TED WOLFF, PUBLIC WORKS DIRECTOR

SUBJECT: BULK FUEL AGREEMENT WITH SENERGY PETROLEUM, LLC

Summary

Before the Council is a retroactive agreement between the City of Apache Junction and Senergy Petroleum, LLC, to provide bulk fuel for an initial term of July 1, 2025, through June 30, 2026, in an amount not to exceed \$840,000.00, utilizing the State Cooperative Contract No. CTR063147.

Background/Discussion

The City used the state cooperative agreement with Synergy in July 2024, and purchased 188,000 gallons of fuel this past fiscal year. The funding source for the fuel purchase is Highway User Revenue Fund ("HURF"). Beginning July 1, 2025, the city would like to enter into another bulk fuel agreement with Synergy Petroleum, LLC using a state cooperative agreement to save procurement costs.

Because of a staff scheduling error, the Agreement expired on June 30, 2025 and the City now desires to extend the Term of The Agreement retroactively for one additional year pursuant to the terms of the Agreement. The term of the retroactive agreement will be July 1, 2025, through June 30, 2026.

Recommendation

Staff respectfully recommends the council approve the agreement authorizing the city to contract with Senergy Petroleum, LLC for bulk fuel delivery.
