## 6. Staff Report

[23-216](#) Presentation and discussion on projects and opportunities in the parks and other service areas.

Parks and Recreation Director Liz Langenbach gave an update on projects in multiple parks. These included Prospector Park where new playground equipment and wood chips were installed. She shared a photo and mentioned that we received a grant which helped with the cost. At Silly Mountain, the Siphon Draw Fire and Fuels crew assisted with the removal of about 1,800 pounds of biomass including invasive buffel grass from the south side of Silly Mountain. She also gave an update on the fence project there. She presented an update on the MGC new build for Administration and storage. The contractor is starting on sewer line and she shared some of the challenges with parking and drop offs at the MGC during this 10 day period. She continued with an update on the Prospector Park restroom then the Little League facility which changed from septic to sewer. The Superstition Shadows Park restroom has been removed and a new restroom is going to be installed. She shared a visual of the updated Pool bathhouse shower and concluded with an update on the challenges with vandalism at Flatiron Park.

[23-217](#) Presentation, discussion and update on upcoming events and activities.

Recreation Superintendent, Jamie Sullivan, shared on the upcoming events and activities including the exciting news of having 10,000 followers on Facebook and receiving a check for \$4,000.00 for our sports program to lower league fees. She shared a highlight video while sharing updates on many events, as well as a glimpse of a week of the pool calendar. She shared an update of the 4th of July event and setup.

## 7. Old Business

[23-218](#) Discussion and update on the Parks & Recreation Strategic Plan.

Director Langenbach shared an update of the Parks & Recreation Strategic Plan, including how our survey demographics compare to the Census Bureau data. She explained that next month there will be a draft of the Strategic Plan document that will be shared so that the commissioners can review it before finalization late this summer.

[23-219](#) Update on security cameras at parks and facilities, by Park Ranger Supervisor, Kelly Martin.

Park Ranger Supervisor Kelly Martin gave an update on the security cameras at our parks and facilities focusing on Multi-use trails, the MGC, Flatiron Park, and the Skate Park. These cameras have made a vast improvement in safety, security, and the reduction of vandalism.

## 8. New Business

[23-220](#) Dutchman Dog Park - Year end review and updates.

An update on Dutchman Dog Park was shared by Liz Langenbach in which she noted that the park is currently closed for improvements including dry wells, bermuda grass seeding, the installation of trees. She also gave an update of statistics of usage over the past year. She presented photos of the update of the fabrication of the artwork to be installed tentatively in June.

Some discussion ensued about the park and its benefits.

**9. Call to Public**
