Subject: Re: Hitching Post Permanent Extension of Premises Application

Hello Evie,

I am currently at a conference but have reviewed the application. I do not see any issues with the extension of premises.

Subject: Hitching Post Permanent Extension of Premises Application

Good Morning,

The City Clerk's office has been working extensively regarding the attached application for a Permanent Extension of Premises for the Hitching Post, located at 2341 N. Apache Trail, Apache Junction, AZ 85119. An incorrect application was received in the Clerk's office on 7/22/2024, and the correct version was submitted on 8/8/2024. Much research and discussion with the Arizona Department of Liquor License and Control has been conducted, creating some delay.

This application request has been placed as a Public Hearing item on the agenda for the 9/17/2024 City Council meeting.

I realize this is a very short notice on an expected turnaround time for your comments, but due to no structural changes being made at the establishment that require permitting, the Clerk's office is **requesting your safety inspection responses by 3:00 p.m. today.**

Your prompt attention is greatly appreciated!

Thank you,

Evie McKinney
