Subject: Proposed Resolution 25-15

With the vacancy of former staff, City needs to redesignate appointees with the Arizona Department of Emergency and Military Affairs to serve as authorized representatives to submit forms and grant applications on City's behalf with their office. Most important of these applications being Public Assistance the City may need to help cover the cost of damage to public infrastructure as a result of any disaster declaration. City staff proposes Resolution 25-15 designating these representatives for the City.
