[Pricing Date]

Superstition Vistas Community Facilities District No. 1
c/o City of Apache Junction, Arizona
300 E. Superstition Boulevard
Apache Junction, Arizona 85119

The undersigned, on behalf of Hilltop Securities Inc. (the “Underwriter”), offers to enter into the following purchase contract (this “Contract”) with Superstition Vistas Community Facilities District No. 1 (the “Issuer”), which, upon the Issuer’s written acceptance of such offer, will be binding upon the Issuer and upon the Underwriter. Such offer is made subject to the Issuer’s written acceptance hereof on or before 11:59 p.m., Arizona Time, on the date indicated above, and, if not so accepted, shall be subject to withdrawal by the Underwriter upon notice delivered to the Issuer at any time prior to the acceptance hereof by the Issuer. Terms not otherwise defined in this Contract shall have the same meanings set forth in the Official Statement and the Bond Resolution (each as defined herein).

In addition to acceptance of this Contract by the Issuer as provided herein, the obligations of the Underwriter under this Contract shall be conditioned on the execution and delivery of the Indemnity Letter, dated the date hereof (the “Indemnity Letter”), by D.R. Horton, Inc. (“D.R. Horton”) attached as the Attachment hereto.

Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer acknowledges and agrees that: (i) the primary role of the Underwriter, as an underwriter, is to purchase securities, for resale to investors, in an arm’s-length commercial transaction between the Issuer and the Underwriter and that the Underwriter has financial and other interests that differ from those of the Issuer; (ii) the Underwriter is not acting as a municipal advisor, financial advisor, or fiduciary to the Issuer and has not assumed any advisory or fiduciary responsibility to the Issuer with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters); (iii) the only obligations the Underwriter has to the Issuer with respect to the transaction contemplated hereby expressly are set forth in this Contract; and (iv) the Issuer has consulted its own legal, accounting, tax and other advisors, as applicable, to the extent it deems appropriate. The Underwriter has provided to the Issuer prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (the “MSRB”), which have been received by the Issuer.

1. Purchase and Sale of the Bonds. (c) Subject to the terms and conditions and in reliance upon the representations, warranties, covenants and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all, but not less than all, of the Issuer's Superstition Vistas Community Facilities District No. 1 Assessment Area No. 7 Special Assessment Bonds, Series 2026 (the "Bonds").

(a) The principal amount, maturities, redemption provisions and interest rates per annum effecting yields with respect to the Bonds are set forth in the Schedule attached hereto. The Bonds shall be as described in and shall be issued and secured under and pursuant to the provisions of, the resolution adopted by the Board of Directors of the Issuer (the "District Board") on [February 17], 2026 (the "Bond Resolution").

(b) The purchase price for the Bonds shall be \$_____ representing the principal amount of the Bonds, less underwriting compensation of \$_____.

2. Public Offering. The Underwriter agrees to make an initial public offering of all of the Bonds at a price not to exceed the public offering price (or not less than the yield) set forth on the inside front cover page of the Official Statement (as defined herein) and may subsequently change such offering price (or yield) without any requirement of prior notice. Subject to the issue price rules, the Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices (or higher than the yields) set forth on Schedule attached hereto and stated on the inside front cover page of the Official Statement.

3. Establishment of Issue Price.

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer on the Closing Date (as defined herein) an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Greenberg Traurig, LLP ("Bond Counsel"), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Issuer under this section to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

(b) [Except as otherwise set forth in Schedule II attached hereto,] the Issuer will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Contract, the Underwriter shall report to the Issuer the price or prices at which it has sold to the public each maturity of Bonds. [If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the

Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or Bond Counsel.] For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) [The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule II attached hereto, except as otherwise set forth therein. Schedule II also sets forth, as of the date of this Contract, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Issuer and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(i) The close of the fifth (5th) business date after the sale date; or

(ii) The date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Issuer promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.]

(d) [The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

A. (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

B. to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

C. to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.]

(e) [The Issuer acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.]

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) [“sale date” means the date of execution of this Contract by all parties.]

4. The Official Statement.

(a) The Issuer has approved and delivered or caused to be delivered to the Underwriter copies of the Preliminary Official Statement, dated _____, 2026 (which, including the cover page and all appendices thereto, is herein referred to as the “Preliminary Official Statement”). It is acknowledged by the Issuer that the Underwriter may deliver the Preliminary Official Statement and a final Official Statement (as hereinafter defined) electronically over the internet and in printed paper form. The Issuer deems the Preliminary Official Statement final as of its date and as of the date hereof for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), except for any information which is permitted to be omitted therefrom in accordance with paragraph (b)(1) of Rule 15c2-12.

(b) The Issuer hereby authorizes the preparation of the Official Statement, to be dated of even date herewith (the “Official Statement”), of the Issuer relating to the Bonds and the use of the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. WHILE THE UNDERWRITER HAS PARTICIPATED AND WILL PARTICIPATE WITH THE ISSUER IN THE PREPARATION AND ASSEMBLAGE OF THE PRELIMINARY OFFICIAL STATEMENT AND THE OFFICIAL STATEMENT, RESPECTIVELY, THE ISSUER IS PRIMARILY RESPONSIBLE FOR THE CONTENT OF THE PRELIMINARY OFFICIAL STATEMENT AND THE OFFICIAL STATEMENT. The Issuer consents to the use by the Underwriter prior to the date hereof of the

Preliminary Official Statement in connection with the public offering of the Bonds. (c) If, after the date of this Contract to and including the date the Underwriter is no longer required to provide the Official Statement to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than 25 days after the "end of the underwriting period" for the Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer shall notify the Underwriter (and provide the Underwriter with such information as it may from time to time request), and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer shall forthwith prepare and furnish, at the Issuer's own expense (in a form and manner approved by the Underwriter), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement, as so amended and supplemented, shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement shall comply with law. If such notification shall be subsequent to the Closing Date, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(d) Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the "end of the underwriting period" for purposes of Rule 15c2-12 is the Closing Date.

- (xi) Such provisions of the Constitution and laws of the State of Arizona and the United States of America as we believe necessary to enable us to render the opinions set forth herein.

IN OUR EXAMINATION, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified or photostatic copies, the authenticity of the originals of such latter documents and the accuracy of the statements contained in such certificates. In connection with our representation of the Issuer in the capacities described above, we have also participated in conferences from time to time with representatives of the Issuer, the Underwriter, the City of Apache Junction, Arizona, the Paying Agent/Registrar and D.R. Horton relating to the Official Statement and the District Documents.

We are of the opinion, based upon the foregoing and subject to the reliance hereinabove indicated and the qualifications hereinafter set forth, that under applicable law of the State of Arizona and federal law of the United States of America in force and effect on the date hereof:

1. The Issuer is duly organized and validly existing as a community facilities district for purposes set forth in Section 48-708(B), Arizona Revised Statutes, as amended, pursuant to the Constitution and laws of the State of Arizona and has all requisite power and authority thereunder (a) to adopt the Resolution, (b) to authorize, execute, deliver and issue, as applicable, the District Documents and the Bonds, (c) to approve, execute and authorize the use and distribution of the Official Statement (including, as applicable, the Preliminary Official Statement, dated [_____, 2026] (the "Preliminary Official Statement"), with respect to the Bonds) and (d) to carry out and consummate the transactions contemplated by the Official

Statement, the Resolution, the District Documents and the Bonds (including performing the applicable obligations thereunder).

2. Adoption of the Resolution; authorization, execution, delivery and issuance, as applicable, of, and the due performance of the obligations of the Issuer under, the District Documents and the Bonds and the approval, execution and authorization of the use and distribution of the Official Statement (including, as applicable, the Preliminary Official Statement) by the Issuer under the circumstances contemplated thereby do not and will not in any material respect conflict with or constitute on the part of the Issuer a breach of or default under any agreement or other instrument to which the Issuer is a party or of any existing law, ordinance, administrative regulation, court order or consent decree to which the Issuer is subject.

3. No consent of any other party, and no consent, license, approval or authorization of, exemption by or registration with any governmental body, authority, bureau or agency (other than those that have been obtained or will be obtained prior to the delivery of the Bonds), is required in connection with the adoption by the Issuer of the Resolution or the authorization, execution, delivery, issuance and performance, as applicable, by the Issuer of the District Documents and the Bonds and the consummation of the transactions contemplated by the Official Statement.

4. The Issuer has duly (a) adopted the Resolution, (b) authorized (i) the authorization, execution, delivery and issuance, as applicable of, and the performance of its obligations under, the District Documents and the Bonds and (ii) the taking of the actions required on the part of the Issuer to carry out, give effect to and consummate the transactions contemplated by the Official Statement, the Resolution, the District Documents and the Bonds and (c) levied the special assessments from which the Bonds are payable. The liens with respect to such special assessments have been perfected pursuant to applicable law and as described in the Official Statement. The Issuer has complied with all applicable provisions of law and has taken all actions required to be taken by it to the date hereof in connection with the transactions contemplated by the aforesaid documents.

5. The District Documents and the Resolution have been duly authorized, adopted, executed and delivered, as applicable, by the Issuer and, assuming due and valid authorization, execution and delivery by the other party or parties thereto, the District Documents constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their terms.

6. Based solely upon a search of computerized docket records through _____, 2026, and upon inquiry of Issuer officials, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or overtly threatened against or affecting the Issuer, and there is no basis therefor, (a) which in any way questions the powers of the Issuer referred to hereinabove or the validity of the proceedings taken by the Issuer in connection with the sale and issuance of the Bonds, (b) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Official Statement, the Resolution, the District Documents or the Bonds or would in any way adversely affect the validity or enforceability of the Resolution, the District Documents or the Bonds (or of any other instrument required or contemplated for use in

consummating the transactions contemplated thereby or by the Purchase Contract or by the Official Statement) or (c) contesting in any way the completeness or accuracy of the Preliminary Official Statement or any supplement thereto, or the Official Statement or any supplement thereto. Further, except as disclosed in the Preliminary Official Statement, as supplemented, and the Official Statement, as supplemented, there are no lawsuits pending or overtly threatened against the Issuer which question the right of the Issuer to levy, receive and pledge special assessments or taxes, nor lawsuits pending or overtly threatened against the Issuer which, if decided adversely to the Issuer, would, individually or in the aggregate, have a material adverse effect on the financial condition of the Issuer or impair the ability of the Issuer to materially comply with all the requirements set forth in the Official Statement, the Resolution, the District Documents or the Bonds.

7. The information contained in the Preliminary Official Statement and the Official Statement in the tax caption on the cover thereof, under the headings “INTRODUCTION,” “THE BONDS,” “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS,” “LITIGATION,” [“QUALIFIED TAX-EXEMPT OBLIGATIONS,”] “TAX EXEMPTION,” “CONTINUING DISCLOSURE” (except as it relates to compliance with prior continuing disclosure obligations of the Issuer) and “RELATIONSHIPS AMONG PARTIES” (solely as it relates to Bond Counsel) therein and in APPENDIX B - “FORM OF APPROVING LEGAL OPINION OF BOND COUNSEL,” APPENDIX D - “FORM OF CONTINUING DISCLOSURE UNDERTAKING,” and APPENDIX F - “CERTAIN STATUTORY PROVISIONS APPLICABLE TO THE FORECLOSURE PROCESS” insofar as such information purports to summarize certain provisions of federal or state law or of the Bonds, fairly summarizes the information which it purports to summarize. Furthermore, based solely on our participation in the transaction as Bond Counsel, nothing has come to our attention that would lead us to believe that the information and statements in the Preliminary Official Statement, as of its date and as of the date of sale of the Bonds, and the Official Statement, as of its date and as of the date hereof, contained or contain any untrue statement of a material fact or omitted or omit, respectively, to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, no view is expressed as to the financial statements of the Issuer, any other financial, forecast, technical or statistical data, and any information in the Preliminary Official Statement or the Official Statement respecting The Depository Trust Company.

8. It is not necessary in connection with the sale and issuance of the Bonds to the public to register the Bonds under the Securities Act of 1933, as amended, or to qualify the Resolution under the Trust Indenture Act of 1939, as amended.

Our opinions expressed in paragraph 5 hereof are qualified to the extent that the enforceability of the District Documents are dependent upon the due authorization, execution and delivery of (and authority to perform lawfully) the District Documents by the other parties thereto and to the extent that the enforceability of the District Documents may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights and the exercise of judicial discretion in accordance with general principles of equity, including possible refusal by a particular court to grant certain equitable remedies such as specific performance with respect to the enforcement of any provision of such documents. We express no opinion as to the enforceability of any provisions of the District Documents (i) restricting access to legal or

equitable remedies, (ii) purporting to establish evidentiary standards or waiving or otherwise affecting any rights to notice, demand or exhaustion of collateral, (iii) relating to self-help, subrogation, indemnification, delay or omission to enforce rights or remedies, severability or marshalling of assets or (iv) purporting to grant to the owners of the Bonds or to any party to the District Documents (other than the Issuer) any rights or remedies not specifically set forth therein.

This opinion is furnished by us as Bond Counsel. No attorney-client relationship has existed or exists between our firm and the addressee in connection with the Bonds or by virtue of this opinion. This opinion is solely for the addressee's benefit and, except as specifically stated herein, is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This opinion speaks only as of its date, and no republication is intended upon the sale, assignment, conveyance or transfer of the Bonds by the Underwriter.

Respectfully submitted,

11. Consent of the Executive Committee of the Board of Directors of Owner, dated _____, 2026, a copy of which is enclosed herewith.

The documents listed in items 5 through 11 are sometimes hereinafter referred to collectively as the “Owner Organizational Documents”. We have relied upon the above-referenced certificates of public officials and of the Owner with respect to the accuracy of material or factual matters contained in such certificates, which were not independently established.

In rendering this opinion, we have assumed that:

(a) (i) Each of the other parties to the Owner Bond Documents (the “Other Parties”) is duly formed and validly existing under the laws of its state of organization; (ii) the execution, delivery and performance of the Owner Bond Documents by each of the applicable Other Parties has been duly authorized by all corporate, limited liability company, or partnership action required of such Other Party, and the Owner Bond Documents have been duly executed and delivered by each of the applicable Other Parties; (iii) each of the Other Parties has obtained all necessary governmental consents, authorizations, approvals, permits or certificates that are required as a condition to the execution and delivery of the Owner Bond Documents by such Other Party and to the consummation of the Transaction; (iv) the Owner Bond Documents constitute legal, valid, binding and enforceable obligations of each of the Other Parties under federal law, the laws of the State of Arizona, and the laws of any other applicable jurisdiction; (v) except for the Owner Bond Documents, there are no other documents or agreements between any of the Other Parties and others that would expand or otherwise modify the obligations of the parties under the Owner Bond Documents; (vi) each of the Other Parties has the power and authority under applicable laws and regulations to enter into and perform the Transaction and has complied in all material respects with all applicable laws and regulations with respect thereto; and (vii) each of the Other Parties will at all times during the term of the Owner Bond Documents act in good faith and only in a manner that under the circumstances is commercially reasonable.

(b) The Owner Bond Documents accurately and completely describe and contain the parties’ mutual intent, understanding and business purposes, and there are no oral or written statements, agreements, understandings or negotiations, nor any usage of trade or counsel of prior dealing among the Other Parties that directly or indirectly modify, define, amend, supplement, or vary or purport to modify, define, amend, supplement or vary any of the terms of the Owner Bond Documents or any of the parties’ rights or obligations thereunder by waiver or otherwise, and there are no facts or events (such as fraud or duress) that have occurred in connection with the execution, acknowledgment and delivery of the Owner Bond Documents that would impair their enforceability.

(c) No fraud, misrepresentation, unilateral mistake or concealment has occurred in connection with the Owner Bond Documents, the Owner Closing Certificate, or any aspect of the Transaction.

(d) The opinion recipients have complied with any requirement of good faith, fair dealing, and conscionability and have acted in good faith and without notice of any defense against enforcement of any rights created by, or any adverse claim to any property transferred as a part of or contemplated by, the Owner Bond Documents or any aspect of the Transaction.

(e) The parties’ representations and warranties contained in the Owner Bond Documents are truthful and accurate.

(f) The Owner Bond Documents, to the extent required to be executed, ratified, notarized, filed, recorded or indexed to be effective (and any UCC-1 or other financing statements required to perfect a security interest in same), have been or will be timely and properly executed, ratified, notarized, filed, recorded or indexed in the appropriate governmental offices and the filing

party will timely file any and all necessary continuation statements, and all fees, charges, and taxes due and owing as of this date have been paid.

(g) No interest, fees, charges or other benefits or compensation in the nature of interest will be collected with respect to the Transaction that are not clearly specified in the Owner Bond Documents and that are not permitted by applicable law.

(h) At the time any of the Other Parties seeks to enforce its rights under the Owner Bond Documents, such Other Party will not be in breach thereof, the document will still be in force, and no applicable statute of limitations will have expired.

(i) Each of the Other Parties will diligently and timely pursue its rights and remedies under the Owner Bond Documents in a commercially reasonable manner and in accordance with the law and the required standards of good faith and fair dealing.

(j) All consents, approvals, licenses or authorizations by, and all notifications of and filings with, any court, governmental body or other person required to be obtained or made in connection with the Owner Bond Documents and the Transaction have been so obtained or made; provided, however, the foregoing does not limit the opinions expressed herein as they relate to the Owner.

(k) Without investigation, the completeness, genuineness and authenticity of any document submitted to us as an original, the conformity to the original of any document submitted to us as a copy, the authenticity of the original of such latter documents, the conformity to the executed document of any document submitted to us as the form to be executed, the genuineness of all signatures, and the legal competency and capacity of natural persons. We have assumed without investigation that any certificate, representation (oral or otherwise), telegram, telex, telecopy, email or other document on which we have relied, whether or not given or dated earlier than the date hereof, is authentic and remains accurate insofar as relevant to this opinion from such earlier date through and including the date hereof, and we are not aware of any facts inconsistent with this assumption.

(l) The Owner holds the requisite title and rights to any real or personal property involved in the Transaction or otherwise purported to be owned by it.

(m) The Owner has paid all income taxes, fines, jeopardy or fraud assessments, and interest due thereon, payable to the State of Arizona.

(n) All reports and other documents prepared by third party consultants relating to the Transaction or any of the property within the District are true and accurate.

(o) The result of the application of Arizona law as specified in the Owner Bond Documents will not be contrary to a fundamental policy of the law of any other state with which the parties may have material or relevant contact in connection with the Transaction and as to which there is a materially greater interest in determining an issue of choice of law.

Based on the foregoing, and subject to the limitations, qualifications, and exceptions set forth herein, it is our opinion that:

1. The Owner is a corporation duly incorporated and validly existing under the laws of the State of Delaware and, based on the Arizona Certificate of Good Standing, is qualified to do business in the State of Arizona.

2. The Owner has the requisite corporate power and corporate authority under the laws of the State of Delaware: (i) to carry out the terms and conditions applicable to it under the Owner Bond Documents; (ii) to own and operate its properties and assets as described in the Preliminary Official Statement and the Official Statement; and (iii) to carry out its business as such business is currently being conducted as described in the Preliminary Official Statement and the Official Statement.

3. The execution, delivery and performance of the Owner Bond Documents by the Owner and the carrying out, giving effect to and consummation of the Transaction contemplated thereby have been duly authorized by all necessary corporate action on the part of the Owner, and the Owner Bond Documents have been duly executed and delivered by or on behalf of the Owner.

4. The Owner Bond Documents constitute valid and binding obligations of the Owner.

5. The execution and delivery of the Owner Bond Documents by Owner, and the consummation of the Transaction by Owner thereunder, do not and will not violate the Owner Organizational Documents.

6. To our actual knowledge, the execution and delivery of the Owner Bond Documents by the Owner will not cause a breach or default of (i) any material contract, indenture, instrument or other agreement to which the Owner is a party or by which it or its properties are bound, or (ii) the laws of the State of Arizona or any court order by which the Owner or its properties are bound.

7. To our actual knowledge, no consent, approval, authorization, or other action by, or filing with, any federal, State, or local governmental authority is required in connection with the execution and delivery by the Owner of the Owner Bond Documents, or the consummation of the Transaction contemplated thereby by Owner, and, to our actual knowledge, the Owner has obtained all consents, approvals and authorizations, and has made all filings, required by applicable federal, State and/or local governmental authorities as of the date hereof in order to own and operate its properties and assets as described in the Official Statement and to carry out its business as such business is currently being conducted as described in the Official Statement.

8. We have no actual knowledge that the Owner is in violation of any provision of, or in default under, the Owner Organizational Documents or any other agreement or instrument, the violation of which or default under which would materially and adversely affect the execution, delivery and/or performance of the agreements and obligations of the Owner under the Owner Bond Documents.

9. We have no actual knowledge of any federal, State, or local legal or governmental actions, proceedings, inquiries or investigations pending or overtly threatened by any

governmental authority against the Owner or to which the Owner is a party or of which any property of the Owner is subject, which would materially and adversely affect (i) the execution, delivery and/or performance of the agreements and obligations of the Owner under the Owner Bond Documents, or (ii) the financial condition or operations of the Owner as described in the Official Statement.

10. To our actual knowledge, the information contained in the Preliminary Official Statement and the Official Statement under the headings “INTRODUCTION” (as to the Owner and Project), “THE PUBLIC INFRASTRUCTURE,” “THE OTHER INFRASTRUCTURE,” “LAND DEVELOPMENT” (except the information under the subheading “The District”, as to which no opinion is expressed) and “RISK FACTORS,” and in Appendix C – “EXECUTIVE SUMMARY OF APPRAISAL” (but not to the opinions of value contained therein) and Appendix G – “SUMMARY OF ASLD DOCUMENTS,” taken as a whole and to the extent applicable to Owner, does not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which such statements were made, not misleading. In connection with our review of the Preliminary Official Statement and the Official Statement, we have not undertaken to independently determine the accuracy, completeness or fairness of the statements contained therein, except as and to the extent provided in this paragraph, and the knowledge available to us is such that we are unable to assume, and do not assume, any responsibility for the accuracy, completeness or fairness of such information. However, on the basis of such review, we have acquired no actual knowledge that the information contained in the Preliminary Official Statement and the Official Statement (except for the financial information and notes thereto and the schedules and other financial or statistical data and opinions of value included therein or in any appendix thereto, as to which we express no opinion) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

The opinions expressed in this letter are subject to the following qualifications, limitations and exceptions:

(i) Our opinions are limited by the internal laws of the State of Arizona (notwithstanding Arizona choice-of-law rules), the corporate laws of the State of Delaware, and applicable federal law. Accordingly, we express no opinion as to the possible impact upon the matters of the laws, orders or judgments of any jurisdiction other than the local laws of the State of Arizona (notwithstanding Arizona choice-of-law rules), the corporate laws of the State of Delaware, and applicable federal law.

(ii) We express no opinion concerning the legal validity and sufficiency of the acts of any of the Other Parties.

(iii) The opinions herein are based upon and limited to the laws and facts now in effect, and we assume no obligation to update, revise or supplement the opinion.

(iv) Our opinion is limited to the matters set forth herein and to the date hereof. No opinion may be inferred or implied beyond the matters expressly stated herein. Our opinion is applicable only to the addressees of this opinion and will not be applicable to any other

person. Further, nothing in this letter is intended to, and we shall not be deemed to, undertake or assume any responsibility or obligation to file or record any documents, file any continuation statements, prepare or file any amendments or modifications, or take any other steps or actions whatsoever after the date of this letter.

(v) The enforceability of the Owner Bond Documents is subject to:

(1) Bankruptcy, insolvency, fraudulent transfer or conveyance, reorganization, arrangement, receivership, conservatorship, moratorium and other similar laws now or hereafter enacted affecting the enforcement of creditors' and property rights generally.

(2) The doctrines of waiver, estoppel, election of remedies or commercial reasonableness, the implied covenant of good faith and fair dealing, or by the application of other equitable principles, whether remedies are sought in equity or at law.

(3) The qualification that certain waivers, procedures, remedies, indemnities, consents to jurisdiction and other provisions of the Owner Bond Documents may be unenforceable under or limited by the law of the State of Arizona; provided, however, such possible unenforceability or limitations will not render the Owner Bond Documents invalid as a whole or substantially prevent the practical realization of the principal benefits intended by the Owner Bond Documents, except for the economic consequences of any procedural delay.

(vi) We express no opinion as to the enforceability of any indemnity provision with respect to any claims or other matters that result from the negligence or misconduct of any indemnitee or the failure of any indemnitee to act in a commercially reasonable manner.

(vii) We express no opinion as to the enforceability of any indemnity or contribution provision with respect to any claims or other matters relating to or arising under federal or state securities laws, as they may be held to violate public policy.

(viii) We express no opinion as to the compliance of the Owner Bond Documents or the offer and sale of the Bonds with any securities law or regulation.

(ix) Any opinion as to the enforceability of the Owner Bond Documents is limited to enforceability as between the original parties thereto.

(x) We express no opinion as to the effect on enforceability of the Owner Bond Documents of any covenants that might be implied under the doctrine of good faith and fair dealing.

The phrase "to our actual knowledge", or words of similar import, means the actual knowledge of the Fennemore Craig attorneys that have provided substantive attention to the matters related to the Transaction and the Documents on behalf of the Owner, without consulting any federal, state or local government, commission, bureau, agency, court or licensing authority, except as listed above. The phrase "consummation of the Transaction" means the closing of the Transaction and the performance of obligations to be performed prior to the closing of the Transaction, but does not include performance of obligations or compliance with terms and conditions of the Owner Bond Documents after the closing of the Transaction.

We are furnishing this opinion letter to you solely for your benefit and it may be relied on by you only for the purpose contemplated in the Transaction. Our opinion is not to be reproduced or filed publicly, or used or relied on by, or quoted or delivered to any other person or entity, or used or relied upon for any purpose other than the purpose contemplated in the Transaction without, in each instance, our prior written consent.

Very truly yours,

FENNEMORE CRAIG P.C.

[Closing Date]

Hilltop Securities Inc.

Phoenix, Arizona 85018

Ladies and Gentlemen:

We have served as counsel to you (the “Underwriter”) in connection with your purchase from Superstition Vistas Community Facilities District No. 1 (the “Issuer”) of its \$[PAR] Superstition Vistas Community Facilities District No. 1 Assessment Area No. 7 Special Assessment Bonds, Series 2026 (the “Bonds”), dated as of the date of this letter, pursuant to the Purchase Contract, dated [Pricing Date] (the “Purchase Contract”), between you and the Issuer. This letter is provided pursuant to Section 6(j)(iv) of the Purchase Contract in connection with your purchase of the Bonds. Capitalized terms not otherwise defined in this letter are used as defined in the Purchase Contract.

In accordance with the terms of our engagement, certain of our lawyers reviewed (a) the Preliminary Official Statement dated _____, 2026 (the “Preliminary Official Statement”), and (b) the Official Statement dated [Pricing Date] (the “Official Statement”) relating to the Bonds, and participated in discussions with your representatives, representatives of the Issuer, the City of Apache Junction, Arizona, D.R. Horton, Inc., Fennemore Craig P.C., as counsel to D.R. Horton, Inc., Greenberg Traurig, LLP, as Bond Counsel, and others, regarding the Preliminary Official Statement and the Official Statement, the information contained therein, and related matters.

The purpose of our professional engagement in that regard was not to establish or to confirm factual matters set forth in the Preliminary Official Statement or the Official Statement, and we have not undertaken to verify independently any of those factual matters. Many of the determinations required to be made in the preparation of the Preliminary Official Statement and the Official Statement involve matters of a non-legal nature.

Subject to the foregoing, on the basis of the information gained by our lawyers involved in the review and discussions referred to above, we confirm to you that nothing came to the attention of those lawyers that caused them to believe that (1) the Preliminary Official Statement, as of its date and as of the date of the Purchase Contract, contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (2) the Official Statement, as of its date and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that

we do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement or the Official Statement, and we do not express any belief with respect to the information in Appendix A – “INFORMATION REGARDING THE CITY OF APACHE JUNCTION, ARIZONA,” or other financial, technical, statistical, accounting or demographic data or forecasts, or any information about the book-entry system and The Depository Trust Company, the information under the headings [“QUALIFIED TAX-EXEMPT OBLIGATIONS,”] or “TAX EXEMPTION,” in Appendix B – “FORM OF APPROVING LEGAL OPINION OF BOND COUNSEL,” Appendix C – “EXECUTIVE SUMMARY OF APPRAISAL,” Appendix F – “CERTAIN STATUTORY PROVISIONS APPLICABLE TO THE FORECLOSURE PROCESS,” or Appendix G – “SUMMARY OF ASLD DOCUMENTS” contained in the Preliminary Official Statement or the Official Statement.

In addition to the review and discussions referred to above, we have also examined an executed counterpart of the Purchase Contract and such other proceedings, documents, matters and law as we deem necessary to render the opinions set forth below.

Based on that examination and subject to the limitations stated below, we are of the opinion that under existing law:

1. The Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Bond Resolution is exempt from qualification under the Trust Indenture Act of 1939, as amended.
2. The Undertaking satisfies the requirement of paragraph (b)(5) of Rule 15c2-12 prescribed under the Securities Exchange Act of 1934, as amended (the “Rule”), that you obtain an undertaking for the benefit of the holders, including beneficial owners, of the Bonds to provide certain annual financial information and event notices at the time and in the manner required by the Rule.

The legal opinions stated immediately above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined and (ii) the due and legal authorization, execution and delivery of those documents by and the valid, binding and enforceable nature of those documents upon the parties thereto.

This letter is being furnished only to you for your use solely in connection with the transaction described herein and may not be relied upon by anyone else or for any other purpose without our prior written consent. No statements of belief or opinions other than those expressly stated herein shall be implied or inferred as a result of anything contained in or omitted from this letter. Ladies and Gentlemen:

This Indemnity Letter is delivered by D.R. Horton, Inc., a corporation organized and existing pursuant to the laws of the State of Delaware (the “Developer”), in order to induce Hilltop Securities Inc. (the “Underwriter”) and Superstition Vistas Community Facilities District No. 1 (the “District”), to enter into the Purchase Contract, dated even date herewith (the “Purchase Contract”), related to the sale by the District and purchase by the Underwriter of the captioned Bonds (the “Bonds”). Capitalized terms used but not defined herein have the meanings assigned to them in the Purchase Contract.

1. In consideration of the execution and delivery of the Purchase Contract, the Developer represents and warrants to the Underwriter and the District that:

(a) The Developer is a corporation organized and existing under the laws of the State of Delaware and is qualified to do business in the State of Arizona.

(b) As of the date of the Preliminary Official Statement, the information in the Preliminary Official Statement under the headings “INTRODUCTION” (but only as to those portions that discuss the Developer or “Horton”, Radiance, the Project, the Public Infrastructure, and the Assessed Lots, each as defined therein, and as to those portions cross-referenced to

“LAND DEVELOPMENT” and “THE PUBLIC INFRASTRUCTURE”), “THE PUBLIC INFRASTRUCTURE”, “THE OTHER INFRASTRUCTURE”, “LAND DEVELOPMENT” (except the information under the sub-heading “The District”, as to which no view is expressed) and “RISK FACTORS”, and in Appendix C – “EXECUTIVE SUMMARY OF APPRAISAL” (but not to the opinions of value contained therein) and Appendix G – “SUMMARY OF ASLD DOCUMENTS,” taken as a whole, is true and correct in all material respects for the purposes for which its use is or was authorized, and such information does not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements made therein in light of the circumstances under which they are or were made, not misleading.

(c) Neither the execution or delivery of this Indemnity Letter, the Waiver Agreement or the CFD Development Agreement (collectively, the “Developer Documents”) nor the consummation of any of the transactions therein contemplated, nor the fulfillment of, or compliance with, the terms thereof, contravenes the organizational documents of the Developer or conflicts with or results in a breach by the Developer of any of the terms, conditions or provisions of, or constitute a default by the Developer under, any bond, debenture, note, mortgage, indenture, agreement or other instrument to which the Developer is a party or by which it is bound or to which any of the property or assets of the Developer is subject, or any law or any order, rule or regulation applicable to the Developer of any court, federal or state regulatory body, administrative agency or other governmental body having jurisdiction over the Developer or any of its properties or operations, or (except as contemplated by the Developer Documents) will result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Developer under the terms of any such restriction, bond, debenture, note, mortgage, indenture, agreement, instrument, law, order, rule or regulation, in each case which would materially affect the business, properties, assets, liabilities or conditions (financial or otherwise) of the Developer taken as a whole.

(d) There is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body pending and served or, to the best knowledge of the Developer, threatened against the Developer wherein an adverse decision, ruling or finding would (i) result in any material adverse change in the condition (financial or otherwise), results of operations, business or prospects of the Developer, or that would materially and adversely affect the properties of the Developer, taken as a whole, and that has not been disclosed in the Preliminary Official Statement as of its date, (ii) materially adversely affect the transactions contemplated by the Purchase Contract or the Developer Documents or (iii) adversely affect the validity or enforceability of the Developer Documents against the Developer.

(e) The Developer has the full power and authority to execute and deliver the Developer Documents and perform its obligations thereunder and engage in the transactions contemplated by the Purchase Contract and the Developer Documents, and the Developer Documents have been duly authorized by the Developer and when executed by all the applicable parties thereto will constitute valid, binding and enforceable obligations of the Developer except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting

enforcement of creditors' rights and general principles of equity and except as the indemnification provisions hereof may be limited by applicable securities laws or public policy.

(f) No consent, approval, authorization or other action by any governmental or regulatory authority that has not been obtained is or will be required for the consummation by the Developer of the transactions contemplated by the Purchase Contract and the Developer Documents; provided that no representation is made as to the compliance of the offer and sale of the Bonds with any federal, extraterritorial, or state securities law or regulation or any consents, approvals, authorizations or other action required by the City of Apache Junction, the State of Arizona, or the District.

2. To the extent permitted by law, the Developer shall indemnify and hold harmless the Underwriter and each director, trustee, partner, member, officer, or employee thereof and each person, if any, who controls the Underwriter within the meaning of the Securities Act of 1933, as amended (the Underwriter and any such person being herein called an "Underwriter Indemnified Party") and the District and each director, officer, official or employee thereof and each person, if any, who controls the District within the meaning of the Securities Act of 1933, as amended (the District and any such person being herein called a "District Indemnified Party" and, together with each Underwriter Indemnified Party, the "Indemnified Parties"), for, from and against any and all losses, claims, damages or liabilities (i) to which any such Indemnified Party may become subject, under any statute or regulation at law or in equity or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact set forth in the information identified in Section 1(b) above in the Official Statement or any amendment or supplement thereto, taken as a whole, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such section(s) or that is necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading in any material respect, except such indemnification shall not extend to any other statements in the Official Statement and (ii) to the extent of the aggregate amount paid in any settlement of any litigation commenced or threatened to the extent arising from a claim based upon any such untrue statement or alleged untrue statement or omission or alleged omission if such settlement is effected with the written consent of the Developer (which consent shall not be unreasonably withheld).

An Indemnified Party shall, promptly after the receipt of notice of a written threat of the commencement of any action against such Indemnified Party in respect of which indemnification may be sought against the Developer, notify the Developer in writing of the commencement thereof and provide a copy of the written threat received by such Indemnified Party. Failure of the Indemnified Party to give such notice will reduce the liability of the Developer by the amount of damages attributable to the failure of the Indemnified Party to give such notice to the Developer, but the omission to notify the Developer of any such action shall not relieve the Developer from any liability that it may have to such Indemnified Party otherwise than under this Section. In case any such action shall be brought against an Indemnified Party and such Indemnified Party shall notify the Developer of the commencement thereof, the Developer may, or if so requested by such Indemnified Party shall, participate therein or defend the Indemnified Party therein, with counsel reasonably satisfactory to such Indemnified Party and the Developer

(it being understood that, except as hereinafter provided, the Developer shall not be liable for the expenses of more than one counsel representing the Indemnified Parties in such action), and after notice from the Developer to such Indemnified Party of an election so to assume the defense thereof, the Developer will not be liable to such Indemnified Party under this Section for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; provided, however, that unless and until the Developer assumes the defense of any such action at the request of such Indemnified Party, the Developer shall have the right to participate at its own expense in the defense of any such action. If the Developer shall not have employed counsel to defend any such action within a reasonable period of time after receipt of written notice of such action or if an Indemnified Party shall have reasonably concluded (and shall have notified the Developer) that there may be defenses available to it and/or other Indemnified Parties that are different from or additional to those available to the Developer (in which case the Developer shall not have the right to direct the defense of such action on behalf of such Indemnified Party, which right may be exercised by an Indemnified Party) or to other Indemnified Parties, the reasonable legal and other necessary expenses, including the expense of separate counsel, incurred by such Indemnified Party shall be borne by the Developer.

3. All of the representations, warranties, and agreements of the Developer contained in the Developer Documents shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of the Underwriter, any controlling person referred to in Section 2 hereof or the Developer or (ii) delivery of and payment for the Bonds.

4. This Indemnity Letter is solely for the benefit of the Underwriter and the District and their successors or assigns, and, to the extent provided in Section 2 hereof, each Indemnified Party, and no other person shall acquire or have any right under or by virtue hereof. The terms "successors" and "assigns" as used in this Indemnity Letter shall not include any purchaser, as such purchaser, from the Underwriter of the Bonds.

5. This Indemnity Letter shall be governed by the laws of the State of Arizona.

6. The Developer hereby consents to the references made to the Developer in the Official Statement.

7. The electronic signature of this Indemnity Letter shall be as valid as an original signature and shall be effective to bind Developer under this Indemnity Letter. For purposes hereof: (i) "electronic signature" means a manually signed original signature or a replicated signature furnished by signature procurement software (i.e., "DocuSign") that is then transmitted by electronic means; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message.
