

**PRESENTATION & DISCUSSION: 26-321
ENGINEERING ON-CALL SERVICES
PROJECT NO. RFQ PW 26-02**

Emile Schmid, P.E.

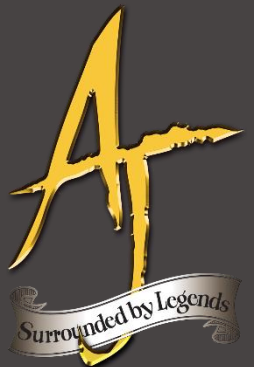

City Engineer

June 15, 2026

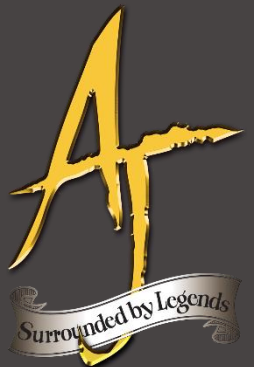

Purpose of On-Call Consultants:

- Pre-selected, pre-approved group of consultants
- Provide flexibility to rotate tasks among consultants
- Improve responsiveness in completion of various citywide engineering service requests & tasks
- Minimize delays with individual contracts

Process to Select On-Call Consultants

- Notice requesting Statements of Qualification (“SOQ”)
- Interested firms prepare and submit a SOQ
- City staff members individually review and rank SOQs
- Staff met to discuss, evaluate, & develop shortlist of recommended consultants
- Selected for a 4-year term & presented for approval
- Professional Service Agreement (“PSA”)
