for the Work or portions thereof provided by Contractor which are legally enacted at the time bids are received whether or not yet effective or subsequently applicable due to acts of jurisdictions or bodies other than City. Further, Contractor agrees to pay all applicable privilege and use taxes that are applicable to the Work under the Agreement.

6. PERMITS & FEES: Unless otherwise provided in the contract documents, Contractor shall secure and pay for all permits, governmental fees, licenses and inspections necessary for the proper execution and completion of Work which are customarily secured after execution of the contract and which are legally required. Contractor shall give all notices and comply with all laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the Work. Contractor represents and warrants that any license necessary to perform the Work under this Agreement is current and valid. Contractor understands that the activity described herein constitutes "doing business in the City of Apache Junction" and Contractor agrees to obtain a business license pursuant to Article 8-2 of the Apache Junction City Code, Vol. I, and keep such license current during the term of this Agreement. Contractor also acknowledges that the tax provision of the Apache Junction Tax Code, Chapter 8A, may also apply and if so, shall obtain a privilege license. Any activity by subcontractors within the corporate city limits will invoke the same business and privilege license regulations on any subcontractors, and Contractor ensures its subcontractors will obtain any required licenses. If there are taxable activities, a business license shall be converted to a privilege license by the Contractor and any subcontractors through the City Clerk's Office.

7. INDEPENDENT CONTRACTOR: Contractor shall at all times during Contractor's performance of the services retain Contractor's status as an independent Contractor. Except as provided in this Agreement, Contractor shall be solely responsible for all means, methods, techniques, sequences and procedures, and for coordinating all portions of the Work required by the contract documents. Contractor shall be responsible to City for the acts and omissions of its employees.

8. INDEMNIFICATION: To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless City, its elected officials, agents, and employees from and against any and all liability including but not limited to demands, claims, actions, fees, costs and expenses, including attorney and expert witness fees, arising from or connected with or alleged to have arisen from or connected with, relating to, arising out of, or alleged to have resulted from the acts, errors, mistakes, omissions, Work of Contractor, its agents, employees, or any tier of Contractor's subcontractors in the performance of this Agreement. Contractor's duty to defend, hold harmless and indemnify City, elected officials, appointees, agents, and employees shall arise in connection with any tortious claim, damage, loss or expense that is attributable to bodily injury, sickness, disease, death, or injury to, impairment, or destruction of property including loss of use resulting therefrom, caused by an Contractor's acts, errors, mistakes, omissions, or Work in the performance of this Agreement including any employee of Contractor, any tier of Contractor's subcontractor or any other person for whose acts, errors, mistakes, omissions, Contractor may be legally liable.

9. ENFORCED DELAYS (FORCE MAJEURE): Neither City nor Contractor, as the case may be, shall be considered not to have performed its obligations under this Agreement in the

event of enforced delay (an "Enforced Delay") due to causes beyond its control and without its fault or negligence or failure to comply with Applicable Laws, including, but not restricted to, acts of God, fires, floods, epidemics, pandemics, quarantine, restrictions, embargoes, labor disputes, and unusually severe weather or the delays of subcontractors or materialmen due to such causes, acts of a public enemy, war, terrorism or act of terror (including but not limited to bio-terrorism or eco-terrorism), nuclear radiation, blockade, insurrection, riot, labor strike or interruption, extortion, sabotage, or similar occurrence or any exercise of the power of eminent domain of any governmental body on behalf of any public entity, or a declaration of moratorium or similar hiatus (whether permanent or temporary) by any public entity directly affecting the Work. In no event will Enforced Delay include any delay resulting from unavailability for any reason of labor shortages, or the unavailability for any reason of particular consultants, subcontractors, vendors or investors desired by Contractor in connection with the Work. Contractor agrees that Contractor alone will bear all risks of delay which are not Enforced Delay. In the event of the occurrence of any such Enforced Delay, the time or times for performance of the obligations of the Party claiming delay shall be extended for a period of the Enforced Delay; provided, however, that the Party seeking the benefit of the provisions of this Section shall, within thirty (30) calendar days after such Party knows or should know of any such Enforced Delay, first notify the other Party of the specific delay in writing and claim the right to an extension for the period of the Enforced Delay; and provided further that in no event shall a period of Enforced Delay exceed ninety (90) calendar days.

10. GOVERNING LAW AND VENUE: The terms and conditions of this Agreement shall be governed by and interpreted in accordance with the laws of the State of Arizona. Any action at law or in equity brought by either Party for the purpose of enforcing a right or rights provided for in this Agreement, shall be tried in a court of competent jurisdiction in Pinal County, State of Arizona. The Parties hereby waive all provisions of law providing for a change of venue in such proceeding to any other county. In the event either Party shall bring suit to enforce any term of this Agreement or to recover any damages for and on account of the breach of any term or condition in this Agreement, it is mutually agreed that the prevailing party in such action shall recover all costs including: all litigation and appeal expenses, collection expenses, reasonable attorneys' fees, necessary witness fees and court costs to be determined by the court in such action.

11. INSURANCE: Contractor, at its own expense, shall purchase and maintain the minimum insurance and other additional requirements set forth herein.

All insurance required herein shall be maintained in full force and effect until all Work or service required to be performed under the terms of the Agreement is satisfactorily completed and formally accepted; failure to do so may, at the sole discretion of the City constitute a material breach of this Agreement.

Contractor's insurance shall be primary insurance as respect to City, and any insurance or self-insurance maintained by City shall not contribute to it.

Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect City.

The insurance policies, except Workers Compensation, shall contain waiver of transfer rights of recovery (subrogation) against City, its agents, officers, officials and employees for any claims arising out of Contractor's acts, errors, mistakes, omissions, Work or services.

The insurance policies may provide coverage which contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to City under such policies. Contractor shall be solely responsible for the deductible and/or self-insured retention and City, at its option, may require Contractor to secure payment of such deductibles or self-insured retentions by a Surety Bond or an irrevocable and unconditional letter of credit.

City reserves the right to request and to receive within ten (10) working days, certified copies of any or all of the herein required insurance policies and/or endorsements. City shall not be obligated, however, to review same or to advise Contractor of any deficiencies in such policies and endorsements, and such receipt shall not relieve Contractor from, or be deemed a waiver of City's right to insist on strict fulfillment of Contractor's obligations under this Agreement. The insurance policies, except Workers Compensation, required by this Agreement, shall name City, its agent, officers, officials and employees as additional insured parties.

REQUIRED COVERAGE

Commercial General Liability

Contractor shall maintain Commercial General Liability insurance with a limit of not less than \$1,000,000 for each occurrence with a \$2,000,000 Products/Completed Operations Aggregate and a \$2,000,000 General Aggregate Limit. The policy shall include coverage for bodily injury, broad form property damage, personal injury, products and completed operations and blanket contractual coverage including, but not limited to, the liability assumed under the indemnification provisions of this Agreement which coverage will be at least as broad as Insurance Service Office, Inc. Policy Form CG 00011-93 or any replacement thereof. In addition, automobile liability coverage of at least \$1 million per occurrence or a combined single limit of at least \$1,000,000 is required. The auto liability policy should contain endorsements for hired autos, non-owned autos and scheduled vehicles, as applicable to the Contractor's business.

Such policy shall contain a severability of interest provision, and shall not contain a sunset provision or commutation clause, nor any provision which would serve to limit third party action over claims.

The Commercial General Liability additional insured endorsement shall be at least as broad as the Insurance Service Office Inc.'s Additional Insured, Form CG 20101185, and shall include coverage for Contractor's operations and products and completed operations.

If required by this Agreement, if Contractor sublets any part of the Work, services or operations, Contractor shall purchase and maintain, at all times during prosecution of the Work, services or operations under this Agreement, City and Contractor's Protective Liability insurance policy for bodily injury and property damage, including death, which may arise in the prosecution of the Contractor's Work or operations under this Contract. Coverage shall be on an occurrence basis with a limit not less than \$1,000,000 per occurrence, and the policy shall be issued by the same insurance company that issues Contractor's General Liability insurance.

Workers Compensation

Contractor shall carry Workers Compensation insurance to cover obligations imposed by federal

and state statutes having jurisdiction of Contractor's employees engaged in the performance of the Work; and Employer's Liability insurance of not less than \$100,000 for each accident, \$100,000 disease for each employee, and \$500,000 disease policy limit.

In case any Work is subcontracted, Contractor will require subcontractor to provide Workers Compensation and Employer's Liability to at least the same extent as required of Contractor.

Umbrella Policy

Contractor shall carry an umbrella policy with a limit not less than \$5,000,000. The umbrella policy shall cover claims that are uncovered by the primary policy and claims in excess of the primary policy. The umbrella insurance policy shall cover those claims as primary insurance and fill in the gaps in the underlying policies.

CERTIFICATE OF INSURANCE

Prior to commencing Work under this Agreement, Contractor shall furnish the City with Certificates of Insurance, or formal endorsements as required by Agreement, issued by Contractor's insurer(s), as evidence that policies providing the required coverages, conditions and limits required by this Agreement are in full force and effect.

In the event any insurance policies required by this Agreement are written on a "claims made" basis, coverage shall extend for two (2) years past completion and acceptance of the Contractor's Work or services and as evidenced by annual Certificates of Insurance, to be filed with the City Attorney of City.

If a policy does expire during the life of the Agreement, a renewal certificate must be sent to City thirty (30) days prior to the expiration date. All Certificates of Insurance shall be identified with Bid serial number and title.

Insurance required herein shall not expire, be canceled, or materially changed without thirty (30) days' prior written notice to City.

12. **SUCCESSORS & ASSIGNS**: Neither party to this agreement shall assign the obligations hereunder, nor shall the Contractor assign any monies due or to become due.

13. **WRITTEN NOTICE**: Written notice shall be deemed to have been duly served if delivered in person to the individual or member of the firm or entity, or to an office of the corporation for whom it was intended or if delivered at or sent registered or certified mail, return receipt requested, and first class postage prepaid to the last business address known to them who gives the notice.

14. **SAFETY**: Contractor and/or its subcontractors shall be solely responsible for job safety at all times.

15. **RIGHTS & REMEDIES**: The duties and obligations imposed by the contract documents and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by City or Contractor shall constitute a waiver of any right or duty afforded any of them under the contract, nor shall any action or failure to act constitute an approval of or an

acquiescence to any breaches hereunder except as may be specifically agreed to in writing.

16. TERMINATION OF CONTRACT: If, for any reason, the Contractor shall fail to fulfill in a timely and proper manner its obligations under the contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of the contract, the City shall thereupon have the right to terminate the contract by giving written notice to the Contractor of such termination and specifying the effective date thereof.

Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the Contractor.

The Parties may terminate the contract at any time by giving at least ninety (90) calendar days Notice of Intent to Terminate. If the contract is terminated by the City as provided herein, the Contractor will be paid for the time expended and expenses incurred up to the termination date.

17. APPEALS: All contractual grievances shall be submitted in writing to the City Manager within five (5) calendar days after the difference of opinion or grievance occurs relating to any of the provisions of the terms of this Agreement. Within five (5) calendar days of receiving a written grievance, the City Manager shall respond in writing. The City Manager's decision shall be final and binding, subject only to a further appeal in the Pinal County Superior Court pursuant to A.R.S. § 12-901, *et seq.*

18. RECORDS: Records of Contractor's labor, payroll and other costs pertaining to this Agreement shall be kept on a generally recognized accounting basis and made available to City for inspection on request. Contractor shall maintain records for a period of at least three (3) years after termination of this Agreement, and shall make such records available during that retention period for examination or audit by City personnel during regular business hours.

19. AMENDMENT: It is mutually understood and agreed that no alteration or variation of the terms and conditions of this Agreement shall be valid unless made in writing and signed by the parties hereto, and that oral understandings or agreements not incorporated herein shall not be binding on the parties.

20. SEVERABILITY: City and Contractor each believe that the execution, delivery and performance of this Agreement are in compliance with all applicable laws. However, in the unlikely event that any provision of this Agreement is declared void or unenforceable (or is construed as requiring City to do any act in violation of any applicable laws, including any constitutional provision, law, regulation, or city code), such provision shall be deemed severed from this Agreement and this Agreement shall otherwise remain in full force and effect; provided that this Agreement shall retroactively be deemed reformed to the extent reasonably possible in such a manner so that the reformed agreement (and any related agreements effective as of the same date) provide essentially the same rights and benefits (economic and otherwise) to the Parties as if such severance and reformation were not required. Unless prohibited by applicable laws, the Parties further shall perform all acts and execute, acknowledge and/or deliver all amendments, instruments and consents necessary to accomplish and to give effect to the purposes of this Agreement, as reformed.

21. CONFLICT OF INTEREST: This Agreement is subject to, and may be terminated by City in accordance with, the provisions of A.R.S. § 38-511.

22. TIME IS OF THE ESSENCE: Time is of the essence with respect to all provisions in this

Agreement. Any delay in performance by either Party shall constitute a material breach of this Agreement.

23. PROHIBITION TO CONTRACT WITH CONTRACTORS WHO ENGAGE IN BOYCOTT OF THE STATE OF ISRAEL: The Parties acknowledge A.R.S. § 35-393 through 35-393.03, as amended, which forbids public entities from contracting with Contractors who engage in boycotts of the State of Israel. Should Contractor, or its subcontractors, under this Agreement engage in any such boycott against the State of Israel, this Agreement is automatically terminated. Any such boycott is a material breach of contract and will subject Contractor to monetary damages.

24. COMPLIANCE WITH FEDERAL AND STATE LAWS: Contractor understands and acknowledges the applicability of the American with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989 to the services performed under this Agreement.

As required by A.R.S. § 41-4401, Contractor hereby warrants its compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A). Contractor further warrants that after hiring an employee, Contractor will verify the employment eligibility of the employee through the E-Verify program. If Contractor uses any subcontractors in performance of services, subcontractors shall warrant their compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A), and subcontractors shall further warrant that after hiring an employee, such subcontractor verifies the employment eligibility of the employee through the E-Verify program. A breach of this warranty shall be deemed a material breach of the Agreement that is subject to penalties up to and including termination of this Agreement. Contractor is subject to a penalty of \$100 per day for the first violation, \$500 per day for the second violation, and \$1,000 per day for the third violation. City at its option may terminate this Agreement after the third violation. Contractor shall not be deemed in material breach of this Agreement if the Contractor and/or subcontractors establish compliance with the employment verification provisions of Sections 274A and 274B of the federal Immigration and Nationality Act and the E-Verify requirements contained in A.R.S. § 23-214(A). City retains the legal right to inspect the papers of any Contractor or subcontractor employee who works under this Agreement to ensure that the Contractor or subcontractor is complying with the warranty. Any inspection will be conducted after reasonable notice and at reasonable times. If state law is amended, the Parties may modify this paragraph consistent with state law.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be signed by their duly authorized representative as of this 19th day of August, 2017.
