

City of Apache Junction

Home of the Superstition Mountains

DATE: MAY 4TH, 2026
TO: MAYOR AND CITY COUNCIL MEMBERS
THROUGH: BRYANT POWELL, CITY MANAGER
FROM: DOUG WIRTHGEN, INFORMATION TECHNOLOGY DIRECTOR
SUBJECT: CITYWIDE ASSET MANAGEMENT SYSTEM, RESOLUTION #, CITY CODE §

The City of Apache Junction Information Technology (IT), Public Works (PW), Parks & Recreation (PR), and Graphical Information System (GIS) departments have been evaluating an asset management system for the city. An Asset Management System provides municipalities with a comprehensive, GIS-centric platform to track, maintain, and analyze infrastructure assets. It helps public agencies manage roads, water systems, and facilities through work order management, preventive maintenance, and budgeting tools, ultimately aimed at reducing costs and extending asset lifespans.

Staff recommends purchasing OpenGov through their authorized vendor at Carahsoft who provided a multi-year subscription and professional services quote.
