**Subject:** GOHS Grant Resolution No 25-21

---

The attached resolution pertains to the SFY 2026 Governor's Office of Highway Safety DUI Abatement Council "DUIAC" grant that the Apache Junction Police Department "AJPD" applied for on 4-7-2025. The grant requests were submitted and reviewed by the DUIAC, who awarded the AJPD the following amount on 6-11-2025:

DUIAC Grant funding to support personnel services and employee related expenses to enhance DUI enforcement activities throughout the City of Apache Junction.

The total amount of grant moneys awarded by GOHS is \$20,000.00 and will be reimbursed to the AJPD. GOHS offers these grants each year and the AJPD has a long history of successfully applying for and receiving funding from this source. Resolution No. 25-21 needs to be placed on the city council agenda for its public consideration.
