From: Heather Hodgman, Administrative Services Manager
Subject: Gruber Technical Inc., dba Gruber Power Services

The city is working on the design and installation of solar panels for the library. The panels are 40" wide by 68" long. The city hired a structural engineer to assess the weight of the panels to ensure that the roof was feasible to hold the load. The purpose of the solar panels is to supply backup power to the IT room at the library.

Staff respectfully requests entering into an agreement with Gruber Technical Inc., dba Gruber Power Services not to exceed \$76,595.29. The city will be utilizing the State of Arizona cooperative contract # CTR063425.
