An application for a Series 6 Bar Liquor License has been submitted by Cynthia Pierson with Captain's, located at 300 W. Apache Trail #118, Apache Junction, AZ, 85220.

The Arizona Department of Liquor Licenses and Control received the application on July 24, 2024, and the Apache Junction City Clerk's Office received the application from them on July 24, 2024. The Notice of Public Hearing was posted at the premises on July 29, 2024, which allowed for the 20-day Notice as required by state law.

The applicant was notified by first class mail and e-mail of the public hearing date and was encouraged to attend to address any questions council may have.

Correspondence related to inspections of the premises for safety and code compliant matters have been received from the Apache Junction Police Department, Building and Safety Division, Planning and Zoning Department, and the Superstition Fire and Medical District.

All four entities find compliance with the inspection requirements and recommend approval. Their responses are attached in Legistar for your review.

The city council may now make a recommendation of approval or denial to the Arizona State Liquor Licenses and Control on this application. This recommendation must take place within sixty (60) days of the filing of the application.
