Subject: RE: Rusty Buckle Saloon Liquor License Application

Hi Amy:

The Planning Division has no objections to the former Taradiddles restaurant location re-opening as a new restaurant/bar to be called the Rusty Buckle Saloon. The property is appropriately zoned B-3 (City Center District) and has operated for many years as different restaurants. The building is currently undergoing a properly permitted remodeling process. As the property is in zoning compliance, the Planning Division recommends approval of this liquor license application.
