DATE: JUNE 15, 2026  
TO: MAYOR AND CITY COUNCIL MEMBERS  
THROUGH: BRYANT POWELL, CITY MANAGER  
FROM: MIKE LOGGINS, PUBLIC WORKS DIRECTOR  
SUBJECT: BULK FUEL AGREEMENT

## **Summary**

Before the Council is an agreement between the City of Apache Junction and Petroleum Traders Corporation for the purchase and delivery of bulk fuel for an initial one-year term in an amount not to exceed \$900,000. The agreement includes four automatic one-year renewal options.

## **Background/Discussion**

The City purchases bulk fuel for use in its fleet and equipment operations. The current bulk fuel contract expires on June 30, 2026. To obtain competitive pricing and ensure a reliable fuel supply, the City issued a Request for Proposals (RFP) for bulk fuel services.

On May 11, 2026, the City received two responses to the RFP. Staff evaluated the proposals and determined that Petroleum Traders Corporation provided the best overall value to the City based on pricing and service considerations.

Based on current fuel usage and pricing, the proposed agreement with Petroleum Traders Corporation is expected to reduce the City's annual bulk fuel costs by approximately \$10,000 compared to the current contract. Funding for fuel purchases is included in the City's adopted budget and will be paid from the applicable operating funds.

## **Recommendation**

Staff recommends that the Council approve the agreement authorizing the City to contract with Petroleum Traders Corporation for the purchase and delivery of bulk fuel in an amount not to exceed \$900,000 for an initial one-year term with four automatic one-year renewal options.
