October 11, 2023

City of Apache Junction  
300 E Superstition Blvd.  
Apache Junction, AZ 85119

Attn: Jennifer Pena and Yvette McKinney, City Clerk's Office  
Subject: City of Apache Junction Health and Human Services Report

**1st Quarter – July 1 -September 30, 2023**

Boys & Girls Clubs of the Valley (BGCAZ) Superstition Mountain Branch has completed the first quarter as per the contract. Here is the breakdown of Club participation for the fourth quarter:

Number of Members Served (Unduplicated): 154

Number of Daily Visits to the Club: 4,538

Number of Volunteer Hours: 144

Number of Days Open: 61

Outside Funding Sources Received: No additional restricted funding to report this quarter. Our programs this quarter were comprised of Power Hour, Smart Moves, Meditational Art, Academic Game Board Creations, My Future.net, Torch Club, and Wee Deliver. For our teens we ran My Future.net, Meditational Art, Career Launch, Smart Moves, Money Matters, and Torch and Keystone Club. These activities incorporate programs outlined in the Scope of Work (Academic Success, Healthy Lifestyles, and Good Character & Leadership).

Programming as outlined in the Scope of Work continued throughout Quarter 1.

Our Power Hour program continues to support members who need extra assistance with their homework.

Meditational Art allows members the opportunity to clear their mind of everything except the form they are using in an effort to enter into a meditative flow.

Academic Board Game Creations provides members who do not have homework the opportunity to use the skills they have learned at BGCAZ to make a board game. They create the design of their board game and develop questions. Teams rotate around the room to play their new created board games while promoting collaboration and learning.

Wee Deliver is also an option for members who do not have homework. They learn about the postal service and the unique jobs within the post office. Participants apply for different positions, write letters, and learn the difference between different types of correspondence or mailings.

Myfuture.net, a mobile-friendly platform with access to over 185 Boys & Girls Club program activities, is actively helping Club members learn new skills, connect with their friends, and earn recognition and rewards in a safe and fun online environment.

Once a week Torch Club members gather and discuss ways that they can serve either in the community or within the Club.

For our teens enrolled in the Career Launch Program, they continue to increase their skills in preparation to enter the workforce. Additionally, they are attending our Money Matters Program to set goals, budget, save, and invest.

The total number of unduplicated members who reside in the City of Apache Junction increased this quarter from 152 to 154 this quarter. We continue to enroll new members due to the easy access location, making it easy for parents to navigate changing work schedules by providing after-school care. Our daily visits continue to rise. Our average daily attendance for our after-school program last quarter was between 80 and 85, and this quarter we were seeing 85 to 110.

As always, the Superstition Mountain Branch never turns a child away for financial reasons. We want every child in Apache Junction to succeed in all areas including Academic Success, Good Character & Leadership, Healthy Lifestyles, and Workforce & Career Readiness. Thank you for helping youth succeed by providing funding for our high-quality programming. If you have any questions, please give me a call at (480) 982-6381 or email: [angela.davis@bgcaz.org](mailto:angela.davis@bgcaz.org). Thank you for your support!

Sincerely,

*Angela Davis*

Subject: City of Apache Junction Health and Human Services Report - 2nd Quarter  
October 1 – December 31, 2023

Dear Ms. Pena and Ms. McKinney:

Boys & Girls Clubs of the Valley (BGCAZ) Superstition Mountain Branch has completed the second quarter in accordance with our service contract. Here is the breakdown of Club participation for the second quarter:

Number of Members Served (Unduplicated): 163

Number of Daily Visits to the Club: 5778

Number of Volunteer Hours: 42.5

Number of Days Open: 118

Outside Funding Sources Received: No additional restricted funding to report this quarter.

Our programs this quarter were comprised of Power Hour, Smart Moves, Mediation Art, Academic Game Board Creations, My Future.net, Torch Club, and Wee Deliver. For our teens we ran My Future.net, Mediation Art, Career Launch, Smart Moves, Money Matters, and Torch and Keystone Club. These activities incorporate programs outlined in the Scope of Work (Academic Success, Healthy Lifestyles, and Good Character & Leadership).

Programming as outlined in the Scope of Work continued throughout Quarter 2.

Our Power Hour program continues to support members who need extra assistance with their homework.

Mediation Art allows members the opportunity to clear their mind of everything except the form they are using in an effort to enter into a meditative flow.

Academic Board Game Creations provides members who do not have homework the opportunity to use the skills they have learned at BGCAZ to make a board game. They create the design of their board game and develop questions. Teams rotate around the room to play their newly created board games while promoting collaboration and learning.

Wee Deliver is also an option for members who do not have homework. They learn about the postal service and the unique jobs within the post office. Participants apply for different positions, write letters and learn the difference between different types of correspondence or mailings.
