## Our Formula for Impact

# BOYS & GIRLS CLUB:

## Academic Success

### Power Hour/Kidz Lit reading program

**Age 6-18**

**Power Hour: Making Minutes Count provides Club professionals with the strategies, activities, resources and information to create an engaging homework help and tutoring program that encourages Club members of every age to become self-directed learners.**

**Just for the Superstition Mountain Branch, from January 1<sup>st</sup>, 2019 through December 31<sup>st</sup>, 2019, there were 215 members that completed 8,417 hours of homework time. This included our Kidz Lit reading program through the summer and on breaks which focuses on reading and comprehending the words that were read.**

# Academic Success

Other Academic Success Programs that are facilitated at our Club.

## Money Matters

**Money Matters promotes financial responsibility and independence among Club members ages 13 to 18. Participants learn how to manage a checking account, create a budget, save and invest, start small businesses and pay for college.**

## Career Launch

**Age 13-18**

**CareerLaunch prepares teens for the world of careers and work. Through CareerLaunch, Club teens 13-18 years old embark on a journey to explore possible vocations, make sound educational decisions and find success in the world of work.**

## Computer Science Pathway

**All Ages**

**The Computer Science Pathway, a key component of Boys & Girls Clubs' Education & STEM programming, invites youth and teens on a journey from their first encounter with code to creative computing**
