**Exhibit A – Water Utility Easement Extinguishment along already extinguished right-of-way
Federal Patent Easement of 3rd Avenue between South Starr Road and South Solana Road
in Apache Junction, Arizona.**

The Federal Patent Easement that was to be used for 3rd Avenue between South Starr Road and South Solana Road was extinguished in 2011. There has been no need for utilities to run through this area between South Starr Road and South Solana Road as most, if not all, of the utilities in the area run North-South along South Starr Road and also North-South along South Solana Road. The utilities then come from these roads to the respective addresses along both roads. In addition, this easement does not maintain access for any landlocked properties. Access for utility companies to residences would not be affected by removal of this easement.
