

Apache Junction Police Department Memorandum

Date: June 5, 2023
To: Mayor Chip Wilson and City Council
From: Chief Michael Pooley
Subject: Purchase from Flock Safety for Public Safety Cameras

The Apache Junction Police Department (AJPD) is requesting a purchase with Flock Safety for ten (10) new additional cameras to add to what we currently have in the City of Apache Junction. Our current contract is for fifteen (15) cameras and the purchase of the additional cameras would provide coverage in areas of the city that do not have the cameras at this time.

The new contract will also secure our pricing structure for a five-year (5) term. The annual cost for all twenty-five (25) cameras would be \$62,500.00. This has been budgeted for the proposed fiscal year 2023-2024 city budget. The total price for the five years will be \$315,500.00.

Thank you for your consideration.
