5. Provide target population and demographic information on your current clientele to include percentage located within the City of Apache Junction

At Rising Star 100% of current clientele are located within the city. The demographic group is LMI and critically disabled SMI persons, and the goal is rehabilitation through socialization and community integration.

6. Explain how your agency will have adequate capacity to complete the project/service being requested.

Repairs to the building in Rising Star will be completed by our contractor James Talavera.

7. Provide a list of your annual fundraisers and average amount raised.

NAZCARE does not hold fundraisers but rather maintains regular income through insurance billing for mental health services performed.

8. Are you listed on the [www.211Arizona.org](http://www.211Arizona.org) website?

Yes.

9. Have you participated in the following: a Project Connect event, a Health and Wellness Expo or the Apache Junction Community Resource Center in the past?

No.

**Project/Service Description:**

Please describe the proposed project/service to be funded. Please address the following:

10. What is the project/service and agency goals?

NAZCARE's mission is to provide quality, evidence-based behavioral health, peer-support, and housing services to individuals and families with mental, co-occurring, and substance use disorders, promoting recovery, wellness, and empowerment. They focus on offering consumer-operated services across rural Arizona.

11. How and will you sustain this project after the agreement has ended?

Renovations to our building will further our mission of providing a safe, stable place for our peers to receive treatment.

**Project/Service Budget:**

Provide a detailed project budget and narrative based on activities indicated above including:

1. Amount being requested

\$62400

2. Amount of funding provided by your agency (include source)

If the project were to cost more, we would meet those costs.

3. Amount of funding provided by partners (include source)

There is no other source of funding for this project.

4. A detailed narrative of the costs

See attached.

5. What percentage of your agency's total annual budget is this funding request?

n/a

6. Indicate if you would accept partial funding and if so, provide the minimum amount and how your project will change.

We would accept partial funding, ideally \$3000 for fixing the window trims, which would improve insulation – especially important the hot, A/C heavy summer months.
