Evie:

The property is lawful non-conforming in that it has a long-established restaurant and bar in what is actually a multi-family residential zone. Interior repairs were recently made to the building after it suffered a fire some months ago. The new owners have worked with staff to make proper repairs and preserve the non-conforming rights. Staff recommends approval of this liquor license.

Subject: SKIES Liquor License Application

Good Afternoon,

The City Clerk's office has received the attached Series 006 Bar liquor license application.

Please conduct your safety, security, ADA compliance and other inspections and submit your department recommendations to me by **noon on Wednesday, January 3, 2024**, in order for this item to be on the **January 16, 2024**, City Council meeting.

Please note: this is a license transfer. However, I confirmed with the Az Liquor License and Control that the local governing body still has to go through the process of a Public Hearing, with all inspections approved.

Thank you,

Evie McKinney
