CALL TO THE PUBLIC

At this time the public has the privilege to address the council with requests, communications, comments or suggestions relating to city business. All speakers must have already submitted a written "Request to Speak" form to the city clerk no later than the conclusion of the city manager's report portion of the agenda. If there is a group speaking on the same item, they should select a spokesperson. All such remarks shall be addressed to the council as a whole and not to any member thereof. The mayor is authorized to ask a speaker to stop speaking and leave the podium or to adjourn the meeting if anyone becomes disorderly, uncivil, makes personal attacks or continues to speak about items that are not within the jurisdiction of the city after being warned such issues are beyond the jurisdiction of the city to act. The council may not answer questions of the speaker, discuss the matter with one another, but may, at the conclusion: 1) respond to criticism by a speaker; 2) ask the city manager to review a matter; 3) ask the city manager to place the matter on a future agenda. Each speaker must approach the podium, speak into the microphone, provide their name and address. There is a three (3) minute time limit per speaker.
