

City of Apache Junction Water Utilities Community Facilities District

Agenda Item 3

Purchase Valve Turner Trailer

August 16, 2022

Purchase Valve Turning Trailer

The District requests permission to purchase:

- Purchase one EH Wachs valve turning trailer
 - The valve turning trailer is part of our valve maintenance program
 - The valve turning program requires the District to turn every valve once a year
 - This maintenance ensures that when there is a water main break that the valves are operational and can shut down the water main.
 - It also makes them easier to turn by hand

Purchase Valve Turning Trailer

The District requests permission to purchase:

- Purchase one EH Wachs valve turning trailer under the City of Phoenix and Balar Holding Corporation purchase agreement No. 155454-9
- This piece of equipment has been budgeted for FY 2022-2023
- Staff is requesting funding for a total not to exceed \$102,442
