Memorandum to: Honorable Mayor and Members of the Council

Through: Bryant Powell, City Manager
Giao Pham P.E., Director of Public Works

From: Emile Schmid P.E., City Engineer

Regarding: Updates to the City's Engineering Standards

The current Engineering Guidelines have been in place since their adoption in November 2006. Since then staff has recognized the need to modify and update portions of the guidelines to make them more consistent with processes in surrounding agencies, and to correct some inconsistencies.

Staff respectfully requests the mayor and city council to consider and approve the 2016 Engineering Standards.
