**Subject: Letter of Commitment by the City of Apache Junction to a Local Government
Contribution for The Crossings Rehabilitation Project for the Englewood Group**

Dear Ms. Redondo:

The city of Apache Junction city council has authorized me to transmit this letter committing the city to a local government contribution for The Crossings rehabilitation Low Income Tax Credit Project. The city council has agreed to execute a cash flow loan that is equal to or greater than one percent of the maximum development budget as identified as the total direct construction costs.

The council has agreed to execute a cash flow loan agreement, a development and rehabilitation agreement, and promissory note that includes the final terms of the loan with the only contingency being the successful award to the owner/applicant of tax credits from the Arizona Department of Housing. The city will work with the developer to finalize the above documents to meet the owner/applicants project schedule.

The city looks forward to the award of the tax credits so that the 117 units of affordable housing in the heart of the city can be successfully rehabilitated.

Sincerely,

Bryant Powell
City Manager
