Jan:

The Planning Division does not object to this one-time event, as similar events have been held in the past. Please advise applicants to keep any event day signage on private property, not in the right-of-way and to remove said signage immediately following the event. The dirt parking area on the northwesterly side of the venue should be watered down before the event, to mitigate generation of dust. Please call me with any questions.

Subject: Special event liquor license application for The Johny O Foundation

I have received a special event liquor license application from The Johny O Foundation for April 10, 2016. Please have your department recommendation to me no later than noon on Wednesday, March 16. Thanks.
