

Public Works Department
City of Apache Junction
Home of the Superstition Mountains

Date: April 4, 2016

To: Honorable Mayor and City Council Members

Through: Bryant Powell, City Manager
Giao Pham, Public Works Director

From: Shane Kiesow, Public Works Manager

Subject: Town of Superior IGA for Transfer of Vehicles and Equipment

Within the last few years the city has acquired two armored vehicles for the addition to the fleet assigned to the Police Department Patrol Division – S.W.A.T. These two vehicles are a civilian armored car recently acquired through the City of Mesa and a Mine Resistant Ambush Protected (MRAP) military vehicle acquired from military surplus in 2013. With the inclusion of these two vehicles, Public Works Fleet Division and the Police Department Patrol Division S.W.A.T. now look to surplus an older civilian armored car, unit #20-324, and one of its two military Humvees, unit #20-250, no longer deemed necessary to keep within the city's fleet. The Town of Superior has shown interest in these surplus vehicles. The attached IGA for your consideration would allow for the transfer of these law enforcement surplus vehicles to the Town of Superior.

City staff looks forward to a discussion with City Council on the enclosed IGA and accompanying resolution before being brought forward for permission to have the mayor sign into the IGA with the Town of Superior as a planned item for action at the May 3rd City Council regular session.
