A LETTER FROM CHRIS CAMACHO

President & CEO, Greater Phoenix Economic Council

By embracing the opportunities and challenges of a fast-growing region, the Greater Phoenix Economic Council (GPEC) has not only endured but thrived as one of the most effective regional public-private partnerships in the country. With a renewed commitment to regional collaboration and enhanced analytical capabilities, GPEC is once again embarking on an innovative plan to drive quality job creation and deliver value to our member communities and stakeholders.

In FY17, GPEC will begin the work of implementing the FY17-19 Strategic Plan, which outlines strategies for attracting and growing jobs in advanced industries and advocating for the region's competitiveness.

While continuing to meet expectations in job creation and driving return on investment to our stakeholders, we will design and execute projects and initiatives that will transform our economic development practice and elevate the region's competitiveness and reputation.
