

City Of Apache Junction

SUPERSTITION MOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1

BOARD DETAILS

OVERVIEW

SIZE 5 Seats

TERM LENGTH 0 Years

TERM LIMIT

The Superstition Mountains Community Facilities District No. 1 was formed by the Apache Junction City Council in July 1992, pursuant to Title 48, Chapter 4, Article 6 of the Arizona Revised Statutes as a separate governmental entity from the City and is governed by an independent, voluntary, five member Board of Directors. The District is an independent, public, non-profit utility developed solely for the benefit of its customers and the Apache Junction community to operate, and maintain a regional system for the collection, transport, and treatment of sewage from the properties existing within its boundaries.

SUMMARY

A highly skilled Engineer with extensive experience managing people and projects. Reputation for delivering projects on-time, within budget and with completed scope while managing risk.

- **Construction Manager**
- **Project Manager**
- **Civil Engineer**
- **Environmental Permitting**
- **Gets Along With Others**
- **Comprehensive Planner**
- **Risk Management**
- **Geotechnical Engineering**
- **Contract Negotiation**
- **Data Management**
- **Mentor**
- **Budget Control and Supervision**

PROFESSIONAL EXPERIENCE

Generation Engineer IV

TEP, Springerville, AZ

10/2013 to present

- Managed numerous projects to insure work was performed on-time, within scope and within budget as well as in a safe manner.
- Reviewed requests to provide the expert recommendations and solutions for concerns, failed equipment and safety work orders.
- Provided engineering and control support for other departments.

Civil Engineering Department Manager

Ripple Control Technologies, Apache Junction, AZ

5/2012 to 5/2013

- Managed the Civil Engineering Department for a firm that specialized in controls systems and telemetry (SCADA) for water, power, sewer, mining and other applications.
- Mentored project team to learn AutoCad, and at the same time design a waste oil plant in three dimensions.
- Worked with potential clients to develop relationships increasing the company's visibility and future work flow.
- Qualifying person for the firm's General Engineering Contractor License (Class A).

Science Teacher

Excalibur Charter Schools, Apache Junction, AZ

8/2011 to 4/2012

- Mentored 6th through 8th grade students to have an appreciation for science.
- Taught the scientific method, and critical thinking skills.
- Approached science and learning in fun and creative ways.

Project Manager

Navarro Research and Engineering, Inc., Casper, WY

4/2008 to 1/2011

- Converted the written processes and procedures to a Microsoft Project template so that other project managers could use the template to start their own projects.
- Mentored team members in the use of software and hardware such as Microsoft Project, Excel, Word, Microsoft Access and SQL.
- Updated the spill prevention, control and countermeasure plan (SPCC) for the entire oilfield of the National Petroleum Reserve (NPR3).
- Delivered projects establishing a history of being on-time, within budget and with complete scope while managing project risks.

Senior Project Manager

PinnacleOne, Tempe, AZ

5/2005 to 2/2008

- Successfully looked at the overall picture to insure that each project's objectives both future and present were met.
- Received 2 yearly awards for outstanding bill-ability and performance.
- Delivered projects establishing a history of being on-time, within budget and with complete scope while managing project risks.
- Saved the City of Peoria the cost of ripping up asphalt and replacing it to install a waterline by getting the waterline included in the current project for a savings of approximately \$1M.

Project Manager

Navajo County Public Works, Holbrook, AZ

7/1999 to 4/2005

- Designed online permit application program that allowed utilities to easily obtain permits and simplified the approval process.
- Developed road safety audit system including ball bank survey, distance measurement, global positioning system (GPS) survey, and digital video.
- Reviewed subdivisions to ensure compliance with regulation and comprehension plan.
- Supervised employees involved with quality control and permit inspections.
- Delivered projects with a track record of being on-time, within budget and with complete scope while managing project risks.
- Managed cleanup of Underground Storage Tanks (UST) to insure that soils were reclaimed and groundwater unaffected.
- Developed storm water pollution prevention plans (SWPPP) for Arizona Department of Environmental Quality (ADEQ) compliance.

EDUCATION

Master of Science Degree in Information Management Project Management

Grantham University

Bachelor of Science Degree in Geological Engineering

University of Arizona

Employment/Retirement

Are you currently employed?

☒ Yes ☐ No

Autocar, LLC

Employer

Director of Training

Job Title

If you are retired, please indicate your former occupation or profession:

Education and Community Service

Schools Attended/Years/Degrees Earned:

College of Emporia - BS University of Southern Mississippi - M. Ed.

Civic Activities-Service Organizations/Office Held/Years (If none, please state N/A)

Recreation Commission Officer - 1983 to 1989 Neighborhood Watch - Community Liaison - 1999 - 2008
Sheriff's Office - Reserve Officer - 1976-1989

Interests & Experiences

What do you believe the key responsibility of board, commission or committee members to: a) the city council and/or district, b) the citizens of Apache Junction, c) other board, commission or committee members?

I have spent many years involved in my community and worked to support both the needs of the community and the various branches of government within those communities. I am at a point now where I would like to “give back” some of what I have learned over the years and use that knowledge to support our community.

Please state the reasons why you feel you are qualified to serve on this board, commission or committee:

Having served for the past six months I discovered that I have strong knowledge of many of the daily parts of the District's operations. Along with my background in heavy equipment, and truck operation and repair, I understand the waste water treatment process and requirements. I know that I can offer insight into decisions required of the board.

Please state why you would like to be appointed to this city/district board, commission or committee:

I would like to continue to serve the needs of our community and be a part of the growth of SMCFD.

Interests & Experiences

What do you believe the key responsibility of board, commission or committee members to: a) the city council and/or district, b) the citizens of Apache Junction, c) other board, commission or committee members?

Work in unity to efficiently and progressively move Apache Junction forward in social, economic, and infrastructure development.

Please state the reasons why you feel you are qualified to serve on this board, commission or committee:

I have time, desire, and a heart for this community. I strongly believe Apache Junction is a wonderful place to live. It needs foresight and strong leadership to move it forward. A gem in the rough that needs it's rough edges polished so it will shine even brighter. It needs to keep it's old west feel but have a new chassis under it.

Please state why you would like to be appointed to this city/district board, commission or committee:

I want to feel a stronger connection to my community. I retired early with the sense of purpose to contribute my resources to help any way I felt there might be a purpose for my talents.

What knowledge do you have of the sewer district and its operations?

The sewer district is a public non-profit utility operating within the city limits of Apache Junction. The main facility is located in the vicinity of Ironwood and Guadalupe and is connected to 6500 customers with over 110 miles of collection infrastructure.

Question applies to Superstition Mountains Community Facilities District No. 1 .

What impressions do you have of the sewer district?

None at this time.

Question applies to Superstition Mountains Community Facilities District No. 1 .

Are you familiar with wastewater treatment facilities or processes?

☒ Yes ☐ No

Question applies to Superstition Mountains Community Facilities District No. 1 .

Are you a customer of the sewer district?

☐ Yes ☒ No

Question applies to Superstition Mountains Community Facilities District No. 1 .

The district's board is often asked to approve contracts for goods and/or services with outside vendors and consultants. Have you had prior experience in reviewing contracts of this nature?

☒ Yes ☐ No

Question applies to Superstition Mountains Community Facilities District No. 1 .

The board of directors is asked to evaluate and approve large scale repairs and improvements. The board is also responsible for reviewing and adopting the district's annual budget which exceeds \$6.5 million, and setting the district's annual rates, fees and charges. Would you be comfortable participating in these decisions?

Yes, in my professional career I was responsible for developing, defending and implementing annual budgets of over \$25 million per annum.

Question applies to Superstition Mountains Community Facilities District No. 1 .

Do you own more than forty (40) acres of land within the sewer district's boundaries?

☐ Yes ☒ No

Question applies to Superstition Mountains Community Facilities District No. 1 .

Are you an elected official, employee or agent of the city or county?

☐ Yes ☒ No

Question applies to Superstition Mountains Community Facilities District No. 1 .

Arizona State Statute § 48-711(B) prohibits a sewer board member to be an employee or agent of a landowner within the district.

☒ I Agree *

Employment/Retirement

Are you currently employed?

☐ Yes ☒ No

Employer

Job Title

If you are retired, please indicate your former occupation or profession:

Various positions in the mining industry.

Education and Community Service

Schools Attended/Years/Degrees Earned:

Colorado School of Mines BS Mining Engineering 1986

Civic Activities-Service Organizations/Office Held/Years (If none, please state N/A)

Arizona Rugby Referee Society 2000 - 2016 Pinal County Master Gardener 2014-2016

Interests & Experiences

What do you believe the key responsibility of board, commission or committee members to: a) the city council and/or district, b) the citizens of Apache Junction, c) other board, commission or committee members?

a) Provide oversight and communicate concerns / issues in a timely manner b) Address inquiries and be transparent c) Communicate respectfully

Please state the reasons why you feel you are qualified to serve on this board, commission or committee:

As the Operations Manager at BHP's Pinto Valley Operation near Globe, AZ I gained some experience with sewage systems. The company was responsible for sewage collection and disposal from a subdivision built by the company in the early 1970's for employee housing. The subdivisions properties have all been sold over the years but sewage collection remained the companies responsibility. Regulation updates from ADEQ were requiring upgrades to existing systems. Feasibility studies for improvements were underway when I left the company. Please see attached resume for additional qualifications.

Please state why you would like to be appointed to this city/district board, commission or committee:

I enjoy being involved in the community. The SMCFD position appears to require some of the expertise that I developed during my professional career.

EDUCATION

Bachelor of Science, Mining Engineering, May 1986
Colorado School of Mines, Golden, Colorado

Engineer-in-Training, State of Colorado, June 4, 1986
Registered member of SME

EXPERIENCE

Member Park and Recreation Board – City of Apache Junction, 2012 - Present
Member Adjustment and Appeals Board – City of Apache Junction, 2012 - Present
Member Executive Board of Directors - Arizona Mining Assoc. 2005 – 2007
Member Executive Board of Directors - Arizona Foundation of Resource Education 2005 - 2007

AngloGold Ashanti - CC&V Gold Mining - Victor, Co March 2009 – March 2011

Mine Manager - (November 2009 – March 2011)

Manager of a 180,000 TPD surface gold mining operation. Responsible for mine operations, mine maintenance and technical services groups (approximately 250 employees). Justified and installed new CAT 793 haulage fleet, Modular dispatch system, Letourneau 1850 loader and double bench pre-split drills and drilling practice.

Technical Services Manager - (March 2009 – November 2009)

Manager of the technical services group for a 180K TPD surface gold mining operation. Responsible for mine geology, geostatistics, block modeling, mine planning, geotechnical, ore control, surveying and ore reserves. Registered member of SME; responsible person for site ore reserve statement.

Independent Contractor June 2007 – December 2008

Providing assistance in the areas of mine operations, environmental permitting, safety, and human resources to the Clarkdale Metals Corp. smelter slag reprocessing project.

BHP Billiton – Pinto Valley Operation – Miami, Arizona Feb 1995 – Feb 2007

Operations Manager Pinto Valley - (December 1999 – February 2007)

Manager of a copper mining, milling and electro winning facility producing 20M lbs. of copper cathode per year. Responsible for site functions which include safety, operations, maintenance, engineering, HR, accounting, environmental, and community relations (approximately 150 employees). The operation included 2 operating SXEW plants and a sulfide mining and milling facility that was placed in care and maintenance due to low copper prices in 1998.

Director - Planning Services - (March 1997 - December 1999)

Member of the management team for a 150,000 TPD open pit copper operation consisting of a mine, copper floatation mill and 2 SXEW facilities. Directly responsible for mine and site planning, geology, hydrology, geotechnical and survey disciplines. In February of 1998 responsibilities expanded to include operations and maintenance of operating SXEW plants and the maintenance of all mining and milling equipment. Member of the Australasian Institute of Mining and Metallurgy, signer of the Pinto Valley ore reserve statements.

Senior Planning Engineer - (February 1995 - March 1997)

Responsible for life of mine budgets and mine plans for a 150,000 TPD open pit copper operation. Project manager for a proposed pit expansion that included additional delineation drilling, ore body modeling, pit design, mining sequences, equipment requirements, capital requirements and cash flow analysis.

AMAX Gold

September 1988 - February 1995

Chief Engineer - Hayden Hill Mine, Susanville, CA (July 1993 - February 1995)

Member of the management team for a 50,000 TPD heap leach surface gold mining operation. Responsible for the operations engineering, geology and construction functions. Intimately involved with operational permitting strategy, implementation and compliance. Also responsible for construction projects including the design, capital acquisition, contract administration, construction and quality control of the operations leach pads, solution ponds and ARD waste dump facilities. Acting General Manager in absentia.

Mine Operations Engineer - Hayden Hill Mine, Susanville, CA (April 1990 - July 1993)

Managed the engineering and survey staff for a surface gold mining operation. Assisted in the permitting, design, construction and start-up of the project. Assisted with the completion of an EIS/EIR environmental document for the project. Located, drilled, tested and developed the mine water supply (1,500 GPM peak demand). Also designed, permitted and constructed the projects six mile mine access road.

Mine Engineer - Sleeper Mine, Winnemucca, NV (September 1988 - April 1990)

Mine planning and ore control engineer for a 35,000 TPD mill and heap leach surface gold mining operation. Completed short and long term mine plans using the Med-System mine planning software. Assisted in all phases of ore control. Implemented Med-System Blast hole software to streamline the ore control process.

Gilbert Corp. of Delaware

November 1986 - September 1988

Mine Engineer - Bad Creek Hydroelectric Project, Salem, SC

Responsible for providing shift supervisors with information regarding scheduling, excavation sequence, and surveying during the construction of an underground hydroelectric generating facility. Project consisted of the excavation and concrete lining of over four miles of varying diameter tunnels and 1,500 feet of vertical shafts.

RELATED EXPERIENCE

Highway Engineer A, Colorado Highway Dept.

August - November 1986.

Quality Control Inspector for Interstate 70 construction through Glenwood Canyon, Colorado.

Methane Driller, Mid-Continent Resources - Carbondale, Colorado

May - August 1986.

Drilled horizontal holes into longwall coal panels prior to mining to evacuate methane gas.

Estimator, Kelley Trucking - Golden, Colorado

1984 - 1986

Estimated quantities for earth moving contractor.

Surveyor, Colorado Highway Dept. - Denver, Colorado

January - August 1983.

Instrument person for highway survey crew.

Rock Mechanics Technician, Texas Gulf - Green River, Wyoming

January - August 1982.

Installed and monitored ground movement measuring devices in an underground trona mine.

The board is also responsible for reviewing and adopting the district's annual budget which exceeds \$6.5 million, and setting the district's annual rates, fees and charges. Would you be comfortable participating in these decisions?

Yes. I worked for the Village of Northbrook (Illinois) for 40-years where I served as Director of Public Works for over 30-years. Northbrook is an affluent suburb of about 33,000. I managed a fulltime staff of 57. Among my many roles was responsibility for collection and conveyance of sanitary sewage. Most of the Chicago metropolitan area is served by the huge Metropolitan Water Reclamation District for treatment.

Question applies to Superstition Mountains Community Facilities District No. 1 .

Do you own more than forty (40) acres of land within the sewer district's boundaries?

☐ Yes ☒ No

Employment/Retirement

Are you currently employed?

☐ Yes ☒ No

N/A

Employer

Job Title

If you are retired, please indicate your former occupation or profession:

As stated above, I was Director of Public Works in Northbrook, Illinois. Upon retirement I worked for FEMA as a disaster assistance employee ... responding to the aftermath of emergencies with a focus on public agencies that had suffered damage (counties, townships, towns, cities, villages, school districts and park districts).

Education and Community Service

Schools Attended/Years/Degrees Earned:

Various schools and technical classes and advanced emergency management training. I am a Supreme Court appointed CASA ... court appointed special advocate for kids in the state's foster care system. I am a Board member of Boyce-Thompson Arboretum ... serving my second 3 year term. I'm also Vice President of the Board.

Civic Activities-Service Organizations/Office Held/Years (If none, please state N/A)

I was past Chairman of the Northwest Municipal Conference public works directors in Illinois ... representing more than 30 agencies and 1,000,000 population. I was the first public works Chairman and Board member of the NIPSTA ... Northeastern Illinois Public Safety Training Academy (on 20 acres in Glenview, IL) where I

served for 5 years.

Interests & Experiences

What do you believe the key responsibility of board, commission or committee members to: a) the city council and/or district, b) the citizens of Apache Junction, c) other board, commission or committee members?

Good stewardship.

Please state the reasons why you feel you are qualified to serve on this board, commission or committee:

I have a wealth of responsible public service experience. I have a long history of working cooperatively with people from diverse socio-economic and educational backgrounds. The department I managed was among the elite in Illinois. I was named as one of the top 10 public works directors in North America by the 27,000 member American Public Works Association. My department and I were recognized by APWA, AWWA and other agencies with various local, regional and national awards.

Please state why you would like to be appointed to this city/district board, commission or committee:

I saw an article in the local AJ newspaper today (5/31/16) advising readers of the need for three board members for this particular commission. I would imagine it's not a "gig" that elicits much interest by most, regardless of its importance. If the Board believes I possess the basic credentials and can bring some practical experience to the table, I'd be honored to serve. If not, that's fine too.

CAREER SUMMARY

I retired 5/31/07 as Director of Public Works in Northbrook, Illinois after a very successful career. Northbrook is a 13-square mile dynamic, affluent, service-oriented 100+ year old community of 33,000+ citizens in the Chicago metropolitan area. I managed a department of 58 full-time people, 4 permanent part-time staff and 17 seasonal workers, with an annual operations/capital budget of more than \$13.5 million.

As the Director of Public Works for thirty years I worked effectively with people from diverse ethnic, socio-economic and educational backgrounds. I also worked cooperatively with an excellent management team including the Village Manager's office, Development, Planning, Engineering, Police, Fire, Finance, Public Relations, Human Resources, Information Systems, the Village Board and various commissions, as well as citizens, contractors and consultants. Blessed with common sense, insight, intuition and a strong work ethic, my approach to problem solving is straightforward, honest, practical and service-oriented.

I have extensive FEMA/DHS emergency management training and deployments assisting public agencies.

PROFESSIONAL EXPERIENCE

Village of Northbrook, Director of Public Works

1977 – 5/31/07

- As the Village's most senior department head and administrator, I was responsible for the planning, care, maintenance, operation and repair of the Village's diverse and aging infrastructure with a replacement value of hundreds of millions of dollars. This included: water production and distribution; sanitary and storm sewer collection/conveyance systems; streets including street lighting, signage, traffic controls, parkways, trees and sidewalks; buildings, grounds and commuter parking lots; snow and ice control operations; fleet/heavy equipment maintenance; emergency and disaster preparedness and response; training and mentoring; and a host of other community support services.

JOB-RELATED ACCOMPLISHMENTS and HIGHLIGHTS

- Hired, trained, developed, empowered and promoted staff to grow with the demands of the job.
- Developed and published award-winning annual *Public Works Annual Report and Reference Guide*.
- Planned and executed a major restructuring and professional growth of the Department.
- Initiated and co-authored long range capital planning for more than \$35 million in projects.
- Envisioned, promoted and managed award-winning \$22 million water system expansion including design and construction of a second Lake Michigan water intake and 6,400 linear feet of 48-inch diameter pipeline; an additional raw water transmission line consisting of 13,000 linear feet of 30-inch diameter main; and an 8-MGD expansion of the water filtration plant (to 20-MGD).
- Initiated and managed award-winning \$2 million streambank and river restoration project.
- Researched, co-drafted and promoted adoption of a progressive tree preservation ordinance.
- Facilitated acquisition, as well as planned and oversaw rehabilitation of 53,000 square foot public works facility on a 5.9 acre site.
- Applied for and secured more than \$3.7+ million in State & Federal grants and reimbursements.
- Planned, organized and secured support for an USEPA-funded research, development and demonstration project on the use of trenchless technology for rehabbing sewers.
- Oversaw the build out and activation of the community's cable television system.
- Managed response and recovery efforts following five "disasters" within the community – four Presidential declarations and one state declaration including documentation and cost recovery.
- Co-authored working draft of a well structured, respected, collective bargaining agreement.

- Co-wrote and published a multi-award winning 30-page educational booklet entitled *Gems of Northbrook – A Guide to Our Beautiful Trees*.

AWARDS and PROFESSIONAL RECOGNITION

- APWA Chicago Metropolitan Chapter - *Technical Innovation – Wind Energy Commitment*, 2007.
- APWA National - *Exceptional Performance - Safety*, 2006.
- APWA Chicago Metropolitan Chapter - *Exceptional Performance – Safety*, 2005; *Exceptional Performance – Journalism*, 2005; *Exceptional Performance – Adversity*, 2005.
- APWA Chicago Metropolitan Chapter Suburban and Lakes Branches – *Exceptional Performance in Journalism* award for three informational pamphlets (water system, snow policies and safety) - 2004.
- APWA Chicago Metropolitan Chapter Suburban Branch – *Management Innovation Award* for *Northbrook Public Works Annual Report and Reference Guide – 2004*.
- APWA Chicago Metropolitan Chapter Suburban Branch – *Adversity Award – 2004*.
- APWA Chicago Metropolitan Chapter Suburban Branch – joint award with the Northeastern Illinois Public Safety Training Academy - *Exceptional Performance in Safety - 2004*.
- APWA Chicago Metropolitan Chapter and Suburban Branch – *Exceptional Performance in Journalism* award for *Northbrook Public Works Annual Report and Reference Guide – 2003*.
- APWA Chicago Metropolitan Chapter and Suburban Branch – *Local Project of the Year for CBD Stream Bank Stabilization and River Corridor Restoration – 2003*.
- APWA National Recognition – *Top Ten Leader of the Year Award – 2002*.
- APWA Chicago Metropolitan Chapter *Community Involvement Award – 2002*.
- Illinois Arborist Association – *Special Recognition – For Efforts in Supporting the Village of Northbrook Tree Preservation Ordinance – 2001*.
- APWA National – *Exceptional Performance in Journalism Award – 2001*.
- City-County Communications and Marketing Association (3CMA) *SAVVY Silver Circle Award for Best Publication/Guides – 2001*.
- Illinois Section, AWWA and ILEPA *Quarter Century Award - 2001*.
- National Arbor Day Foundation - *Tree City USA Award - 1994-2006*.
- APWA National – *Samuel A. Greeley Award – 1998*.
- APWA Chicago Metropolitan Chapter – *Project of the Year Award (water improvements) - 1994*.
- APWA Suburban Branch of the Chicago Metropolitan Chapter – *Leader of the Year Award - 1989*.

PROFESSIONAL INVOLVEMENT & AFFILIATIONS

- Board member, Boyce-Thompson Arboretum, Superior, AZ - 2012-16.
- CASA volunteer. Appointed by Supreme Court to advocate for children/wards of the State - 2012-16.
- FEMA Reservist – Public Agency Specialist – 2008-2012 – declarations in: IL, IN, MO, NJ & NY.
- Guest lecturer Northwestern University - Masters level *Environmental Policy* course – 2007.
- Executive Committee member and Board member - Northeastern Illinois Public Safety Training Academy (NIPSTA in Glenview, IL) – a growing consortium of 20+ communities.
- First Chairman of the Public Works Training Committee of NIPSTA - 2003 - May 2007.
- Served a 3-year term as member of the American Public Works Association (APWA) Council on Emergency Management and an additional 3-year term an alternate member.
- Past Chairman of the Northwest Municipal Conference Public Works Directors - a consortium of 50 towns/townships representing a population of more than 1,000,000.
- Advisor to Charlottesville, Virginia on winter snow and ice control preparedness/strategies.
- Special commissioner to the Board of Local Improvements of Arlington Heights, Illinois 1982 - 2007
- Life Member American Public Works Association – 2004 - #17178.
- Life Member American Water Works Association – 2004 - #27825.
- Member International Society of Arboriculture - #4738 & American Forestry Association - #046022.
