WHEREAS, the City of Apache Junction, AZ (the "City"), upon incorporation became the holder of federally patented easements ("FPEs") as described in Exhibit A and depicted in Exhibit B, for public roadway purposes; and

WHEREAS, such easements may be extinguished by local municipalities pursuant to A.R.S. §§ 9-500.24 and 28-7214; and

WHEREAS, pursuant to City Code § 13-2-4, the director of public works, submitted copies of the application for comment to the development services director, the public safety director, the Superstition Fire and Medical District, as well as affected public utility providers; and

WHEREAS, no opposition statements were received from Salt River Project, Arizona Water Company, Superstition Mountains Community Facilities District No. 1, Centurylink, Southwest Gas, the Development Services Director and the Public Safety Director; and

WHEREAS, the extinguishment request, if approved, would not leave a parcel in separate ownership without access to an established public roadway or easement connecting such lands with another public roadway or easement; and

2. Nothing in this approval extinguishes any utility easement interest of any public utility agency or entity on the subject street right-of-way.
