Subject: RE: Special event liquor license for Black and Gold Apache Junction Boys Girls Youth Football League

Jan:

The Planning Division has no objections to the liquor license request for this one-time special event for the Black and Gold Youth Football League. We offer the following recommendations to the applicants: 1) water down the activity areas on the day of, but prior to the event; 2) keep all event day signage on the private property, not in the right-of-way and please remove said signage immediately following the event; 3) hire adequate security personnel for the event, such as the AJ Mounted Rangers and/or off-duty police officers; and 4) fence off and monitor the beer garden area. Please call us with any Planning related questions. Thanks.
