8. **INSURANCE:** Consultant, at its own expense, shall purchase and maintain the herein stipulated minimum insurance with companies duly licensed, possessing a current A.M. Best, Inc. Rating of B++6, or approved unlicensed in the State of Arizona with policies and forms satisfactory to City.

All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of the Agreement is

satisfactorily completed and formally accepted; failure to do so may, at the sole discretion of City, constitute a material breach of this Agreement.

Consultant's insurance shall be primary insurance as respects the City, and any insurance or self-insurance maintained by City shall not contribute to it.

Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect City.

The insurance policies, except Workers' Compensation, shall contain a waiver of transfer rights of recovery (subrogation) against City, its agents, officers, officials and employees for any claims arising out of Contractor's acts, errors, mistakes, omissions, work or service.

The insurance policies may provide coverage which contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to City under such policies. Consultant shall be solely responsible for the deductible and/or self retention and City, at its option, may require Consultant to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

City reserves the right to request and to receive, within ten (10) working days, certified copies of any or all of the herein required insurance policies and/or endorsements. City shall not be obligated, however, to review same or to advise Consultant of any deficiencies in such policies and endorsements, and such receipt shall not relieve Consultant from, or be deemed a waiver of, City's right to insist on strict fulfillment of Consultant's obligations under this Agreement.

The insurance policies, except Workers' Compensation and Professional Liability, required by this Agreement, shall name City, its agents, officers, officials and employees as additional insureds parties.

REQUIRED COVERAGE

Such insurance shall include coverage for loading and off loading hazards.

Workers' Compensation

Consultant shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Consultant's employees engaged in the performance of the work or services; and, Employer's Liability insurance of not less than \$100,000 for each accident, \$100,000 disease for each employee, and \$500,000 disease policy limit.

By execution of this Agreement, Consultant certifies as follows:

"I am aware and understand the provisions of A.R.S. § 23-900 *et seq.* which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of this chapter, and I will comply with such

provisions before commencing the performance of the work of this Agreement.”

If Consultant has no employees for whom workers’ compensation insurance is required, Consultant shall submit a declaration or affidavit to City so stating and covenanting to obtain such insurance if and when Consultant employs any employees subject to coverage.

In case any work is subcontracted, Consultant will require subcontractors to provide Workers’ Compensation and Employer’s Liability insurance to at least the same extent as required of Consultant.

Certificates of Insurance

Prior to commencing work or services under this Agreement, Consultant shall furnish City with Certificates of Insurance, or formal endorsements as required by the Agreement, issued by Consultant’s insurer(s), as evidence that policies providing the required coverages, conditions and limits required by this Agreement are in full force and effect. The form of the certificates of insurance and endorsements shall be subject to the approval of the Apache Junction City Attorney’s Office, shall comply with the terms of this Agreement, and shall be issued and delivered to City Attorney, City of Apache Junction, 300 East Superstition Boulevard, Apache Junction, AZ 85119.

In the event any insurance policies required by this Agreement are written on a “claims made” basis, coverage shall extend for two (2) years past completion and acceptance of Consultant’s work or services and as evidenced by annual Certificates of Insurance.

If a policy does expire during the life of the Agreement, a renewal certificate must be sent to City thirty (30) calendar days prior to the expiration date.

All Certificates of Insurance shall be identified with bid serial number and title. Policies or certificates and completed forms of City’s Additional Insured Endorsement (or a substantially equivalent insurance company form acceptable to the City Attorney) evidencing the coverage required by this section shall be filed with the City and shall include the City as an additional insured. The policy or policies shall be in the usual form of a public liability insurance, but shall also include the following provision:

“Solely as respects work done by or on behalf of the named insured for the City of Apache Junction, it is agreed that the City of Apache Junction and its officers and employees are added as additional insureds under this policy.”

Insurance required herein shall not expire, be canceled, or materially changed without thirty (30) calendar days' prior written notice to City.

9. **WARRANTY:** Consultant warrants for a period of one hundred eighty (180) calendar days, that all parts, cables, software and hardware, and affiliated parts and components as set forth in Exhibit C are properly operating when operated with the configuration and in the operating environment specified by Consultant. In the event of any defect or error covered by such warranty, City agrees to provide Consultant with sufficient detail to allow Consultant to reproduce the defect or error. Consultant will correct such error or defect at Consultant's facility by issuing corrected instructions, a restriction, or a bypass. However, Consultant is not responsible for any defect or error not reported or any defect or error in the parts, cables, software and hardware, and affiliated parts and components that City has modified, misused, or damaged.

10. **APPLICABLE LAW AND VENUE:** The terms and conditions of this Agreement shall be governed by and interpreted in accordance with the laws of the State of Arizona. Any action at law or in equity brought by either party for the purpose of enforcing a right or rights provided for in this Agreement, shall be tried in a court of competent jurisdiction in Pinal County, State of Arizona. The Parties hereby waive all provisions of law providing for a change of venue in such proceeding to any other county. In the event either party shall bring suit to enforce any term of this Agreement or to recover any damages for and on account of the breach of any term or condition in this Agreement, it is mutually agreed that the prevailing party in such action shall recover all costs including: all litigation and appeal expenses, collection expenses, reasonable attorney fees, necessary witness fees and court costs.

11. **FORCE MAJEURE:** Neither City nor Consultant, as the case may be, shall be considered not to have performed its obligations under this Agreement in the event of enforced delay (an "Enforced Delay") due to causes beyond its control and without its fault or negligence or failure to comply with applicable laws, including, but not restricted to, acts of God, fires, floods, epidemics, pandemics, quarantine, restrictions, embargoes, labor disputes, and unusually severe weather or the delays of subcontractors or materialmen due to such causes, acts of a public enemy, war, terrorism or act of terror (including but not limited to bio-terrorism or eco-terrorism), nuclear radiation, blockade, insurrection, riot, labor strike or interruption, extortion, sabotage, or similar occurrence or any exercise of the power of eminent domain of any governmental body on behalf of any public entity, or a declaration of moratorium or similar hiatus (whether permanent or temporary) by any public entity directly affecting the obligations under this Agreement. In no event will Enforced Delay include any delay resulting from unavailability for any reason of labor shortages, or the unavailability for any reason of particular Consultants, subcontractors, vendors or investors desired by Consultant in connection with the obligations under this Agreement. Consultant agrees that Consultant alone will bear all risks of delay which are not Enforced Delay. In the event of the occurrence of any such

Enforced Delay, the time or times for performance of the obligations of the Party claiming delay shall be extended for a period of the Enforced Delay; provided, however, that the Party seeking the benefit of the provisions of this Section shall, within thirty (30) calendar days after such Party knows or should know of any such Enforced Delay, first notify the other Party of the specific delay in writing and claim the right to an extension for the period of the Enforced Delay; and provided further that in no event shall a period of Enforced Delay exceed ninety (90) calendar days.

12. **TERMINATION**: This Agreement may be terminated by either Party for any reason upon fifteen (15) days written notice. If this Agreement is terminated, City shall be reimbursed from Consultant the amount paid for any undelivered and/or unaccepted products or services. Upon termination, City agrees to pay for all delivered, accepted, and properly invoiced services or products that were provided up to the announced termination date.

13. **INDEMNIFICATION**: To the fullest extent permitted by law, Consultant shall defend, indemnify and hold harmless City, its elected and appointed officers, officials, agents, and employees from and against any and all liability including but not limited to demands, claims, actions, fees, costs and expenses, including attorney and expert witness fees, arising from or connected with or alleged to have arisen from or connected with, relating to, arising out of, or alleged to have resulted from the acts, errors, mistakes, omissions, work or services of Consultant, its agents, employees, or any tier of Consultant's subcontractors in the performance of this Agreement. Consultant's duty to defend, hold harmless and indemnify City, elected and appointed officers, officials, agents, and employees shall arise in connection with any tortious claim, damage, loss or expense that is attributable to bodily injury, sickness, disease, death, or injury to, impairment, or destruction of property including loss of use resulting therefrom, caused by an Consultant's acts, errors, mistakes, omissions, work or services in the performance of this Agreement including any employee of Consultant, any tier of Consultant's subcontractor or any other person for whose acts, errors, mistakes, omissions, work or services Consultant may be legally liable.

14. **BUSINESS AND PRIVILEGE LICENSE**: Consultant represents and warrants that any license necessary to perform the work under this Agreement is current and valid. Consultant understands that the activity described herein constitutes "doing business in the City of Apache Junction" and Consultant agrees to obtain a business license pursuant to Article 8-2 of the Apache Junction City Code, Vol. I, and keep such license current during the term of this Agreement. Consultant also acknowledges that the tax provision of the Apache Junction Tax Code, Chapter 8A, may also apply and if so, shall obtain a privilege license. Any activity by subconsultants within the corporate city limits will invoke the same business license regulations on any subconsultants, and Consultant ensures its subconsultants will obtain any required licenses. If there are taxable activities, a

business license shall be converted to a privilege license by the Consultant and any subconsultants through the City Clerk's Office.

15. RECORDS: Records of Consultant's labor, payroll, and other costs pertaining to this Agreement shall be kept on a generally recognized accounting basis and made available to City for inspection on request. Consultant shall maintain records for a period of at least two (2) years after termination of this Agreement, and shall make such records available during that retention period for examination or audit by City personnel during regular business hours.

16. RIGHT OF CITY TO CONTRACT WITH OTHERS: Nothing in this Agreement shall imply City is obligated to obtain the services described herein with only this particular Consultant.

17. WAIVER OF TERMS AND CONDITIONS: The failure of City or Consultant to insist in any one or more instances on performance of any of the terms or conditions of this Agreement or to exercise any right or privilege contained herein shall not be considered as thereafter waiving such terms, conditions, rights or privileges, and they shall remain in full force and effect.

18. COMPLIANCE WITH FEDERAL AND STATE LAWS: Consultant understands and acknowledges the applicability of the American with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989 to the services performed under this Agreement.

As required by A.R.S. § 41-4401, Consultant hereby warrants its compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A). Consultant further warrants that after hiring an employee, Consultant will verify the employment eligibility of the employee through the E-Verify program. If Consultant uses any subcontractors in performance of services, subcontractors shall warrant their compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A), and subcontractors shall further warrant that after hiring an employee, such subcontractor verifies the employment eligibility of the employee through the E-Verify program. A breach of this warranty shall be deemed a material breach of the Agreement that is subject to penalties up to and including termination of this Agreement. Consultant is subject to a penalty of \$100 per day for the first violation, \$500 per day for the second violation, and \$1,000 per day for the third violation. City at its option may terminate this Agreement after the third violation. Consultant shall not be deemed in material breach of this Agreement if the Consultant and/or subcontractors establish compliance with the employment verification provisions of Sections 274A and 274B of the federal Immigration and Nationality Act and the E-Verify requirements contained in A.R.S. § 23-214(A). City retains the legal right to inspect the papers of any Consultant or subcontractor employee who works under this Agreement to ensure that the Consultant or subcontractor is complying with the warranty. Any inspection will

be conducted after reasonable notice and at reasonable times. If state law is amended, the Parties may modify this paragraph consistent with state law.

19. **CONDITIONS OF SALE AGREEMENT:** The terms of this Agreement override any contrary terms set forth in the Logicalis, Inc. Standard Terms and Conditions of Sale agreement set forth in Exhibit D. In addition, as to that agreement, the following standard provisions are not binding on the Parties: §§ (B)(2)(b), (B)(3), (B)(5), (C)(7), (C)(9), (D)(16), (D)(17), (D)(18), (D)(23), (D)(24), (D)(26), (D)(27), (D)(28).

20. **ENTIRE AGREEMENT:** This Agreement and any attachments represent the entire agreement between City and Consultant and supersede all prior negotiations, representations or agreements, either express or implied, written or oral. It is mutually understood and agreed that no alteration or variation of the terms and conditions of this Agreement shall be valid unless made in writing and signed by the parties hereto. Written and signed amendments shall automatically become part of the supporting documents, and shall supersede any inconsistent provision therein; provided, however, that any apparent inconsistency shall be resolved, if possible, by construing the provisions as mutually complementary and supplementary. If there is a conflicting provision between the state procurement contract and this document, this document shall prevail.

21. **SEVERABILITY:** City and Consultant each believe that the execution, delivery and performance of this Agreement are in compliance with all applicable laws. However, in the unlikely event that any provision of this Agreement is declared void or unenforceable (or is construed as requiring City to do any act in violation of any applicable laws, including any constitutional provision, law, regulation, or city code), such provision shall be deemed severed from this Agreement and this Agreement shall otherwise remain in full force and effect; provided that this Agreement shall retroactively be deemed reformed to the extent reasonably possible in such a manner so that the reformed agreement (and any related agreements effective as of the same date) provide essentially the same rights and benefits (economic and otherwise) to the Parties as if such severance and reformation were not required. Unless prohibited by applicable laws, the Parties further shall perform all acts and execute, acknowledge and/or deliver all amendments, instruments and consents necessary to accomplish and to give effect to the purposes of this Agreement, as reformed.

22. **ACCURACY OF WORK:** Acceptance of services or work by City shall not relieve Consultant of the responsibility for subsequent correction of any such errors and the clarification of any ambiguities. Consultant shall make all necessary revisions or corrections resulting from errors and omissions on the part of Consultant without additional compensation.

23. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to all provisions in this Agreement, especially the "Go-Live" deadline. Any delay in performance by either Party shall constitute a material breach of this Agreement.

24. **PROHIBITION TO CONTRACT WITH CONSULTANTS WHO ENGAGE IN BOYCOTT OF THE STATE OF ISRAEL:** The Parties acknowledge A.R.S. §§ 35-393 through 35-393.03, as amended, which forbids public entities from contracting with consultants who engage in boycotts of the State of Israel. Should Consultant under this Agreement engage in any such boycott against the State of Israel, this Agreement is automatically terminated. Any such boycott is a material breach of contract and will subject Consultant to monetary damages, including any compensative and, consequential damages.

25. **CONFLICTS OF INTEREST:** This Agreement is subject to, and may be terminated by City in accordance with, the provisions of A.R.S. § 38-511.

IN WITNESS WHEREOF, Consultant and City have executed this Agreement as of the date first set forth above.

8. Provide all necessary security access to the locations where the work is to be delivered, as well as the passwords, equipment, etc. required to successfully complete this project.
9. Customer ensures that the work environment is free of hazardous materials and free from asbestos. Customer is responsible for supplying Logicalis with any information concerning safety issues and/or hazardous material for disclosure to all Logicalis and third-party employees working on the project.
10. Any Customer and third-party vendor actions that either accelerate or postpone Logicalis project responsibilities may result in a change to the SOW and a subsequent Project Change Request.
11. Schedule and facilitate 'down-time' for systems and applications during certain periods during the project.
12. If remote access is required then Customer will allow VPN connectivity. If VPN connectivity is not permitted then a Project Change Request may be required.
13. Customer acknowledges that during the performance of services, Customer may be asked to download software as part of such services. In downloading such software, Customer affirms that it has received the software from Logicalis for use in its internal systems only and will use the software internally according to the instructions set forth by Logicalis.
14. Customer is responsible for obtaining all permits, licenses, and right of ways necessary for the completion of this project, including but not limited to building and city requirements.
15. Customer will communicate any issues or changes to the original project plan and/or this SOW to Logicalis immediately upon discovery.
16. Customer acknowledges that it has five (5) business days after receipt of Project Closure and Acceptance (PCA) form to review the deliverables for the project and deliver to Logicalis the signed PCA, or alternatively, a written notification clearly describing a specific project element's failure to meet identified specifications. If Customer does not return the PCA or a written notice of nonconformity within such time period, the project will be deemed accepted on the 6th business day after receipt of the PCA.

Section 8. General Project Assumptions

Several general project assumptions are included in this SOW. General project assumptions include but are not limited to:

1. Logicalis uses a forty (40) hour workweek as its full-time standard designation, delivered over a five (5) day workweek, including travel to and from Customer's location(s) when applicable. Personnel may work hours other than normal business hours to accommodate their travel schedules and time zones as mutually agreed upon by the parties.
2. At the start of the project and throughout the duration of the project, the Logicalis Project Manager or other appointed personnel shall work with Customer to mutually determine any on-site requirements of non-local resources. During weeks with Logicalis-observed holidays or during periods when a resource is not required to be on-site full time, the parties will mutually agree upon an alternate full-time work schedule with the resource(s) performing project-related activities remotely.

3. For Logicalis resource(s) performing work on-site, Customer agrees that a designated and responsible Customer representative will be present at all times.
4. If applicable, travel that is included in Logicalis projects is quoted assuming three (3) weeks' advance notice. All travel expenses that are incurred with less than three (3) weeks' advance notice will be subject to price adjustments.
5. The project will involve some 'knowledge transfer.' The purpose of transfer of technology knowledge is to explain functionality provided by Logicalis delivered for the project and to provide a high level overview of how that functionality may be utilized by Customer. Knowledge transfer is not intended to replace the manufacturers' formal instruction/classes.
6. Adequate staffing and project management is included in this SOW. If Customer accelerates their timeline, additional staffing or overtime to meet the new deadlines may be required. Changes to Customer's schedule must be communicated to the Logicalis Project Manager or other appointed personnel in writing within 24 hours of the change.
7. All communication that affects the technical aspects of the project will be directed through the Project Manager or other appointed personnel.
8. Review meetings will be held at milestone points in the project. These meetings are intended to facilitate discussion regarding project timelines. The availability of Customer's management and support personnel is critical to this project and Customer representation at these meetings is essential.

Should any of the above assumptions prove to be incorrect or incomplete, Logicalis may modify the price, scope of work, or if applicable, project milestones. Any such modifications shall be managed by the Project Change Management Process set forth in this SOW.

Section 9. Project Change Management Process

Changes to the project scope will be negotiated separately through a mutually-approved Project Change Management process. In the event either party desires to change this project, the following procedures shall apply:

1. Either party shall notify the other party of any requested changes. Logicalis will deliver a Project Change Request to Customer for review and execution. The Project Change Request will describe the nature of the change, the reason for the change, and the effect the change will have on the scope of work, which may include changes to the Tasks and Activities, Deliverables, project price and/or the schedule.
2. If both parties agree to implement the Project Change Request, the appropriate authorized representatives of the parties will sign the Project Change Request, indicating the acceptance of the changes by the parties.
3. Each executed Project Change Request will be incorporated into, and made a part of, this Statement of Work.
4. No party is under any obligation to proceed with the Project Change Request until such time as the Project Change Request has been agreed upon by both parties.

In the event of a conflict between a Project Change Request's Scope of Work and that set forth in the original Statement of Work, or previous fully executed Project Change Request, the most recent fully executed Project Change Request shall prevail.

Section 10. Terms & Conditions

1. This SOW is for services only and the pricing shall remain valid for 90 days from date of issuance of this SOW to Customer.
2. The pricing and services identified in this SOW are only valid for one year following the signed date of acceptance of this SOW.
3. The delivery of services will be performed at a Logicalis facility and/or Customer's location specified in the Statement of Work Acceptance section or provided to us prior to the commencement of services under this SOW.
4. To the extent applicable, the terms of the Arizona State Audio Visual Contract # ADSP012-032692 are incorporated herein by reference. For all other terms not addressed in the previously stated contract, Logicalis Terms of Sale, found on our website at www.us.logicalis.com/tcsales apply and are incorporated herein by reference.
5. Only activities identified in this SOW will be performed. If other work is desired or additional activities are identified, a Project Change Request or new SOW will be required prior to completion of that work or those activities.

LOGICALIS, INC. STANDARD TERMS AND CONDITIONS OF SALE

A. Order and Acceptance

1. **Applicability.** Each Quotation issued by LOGICALIS ("Quotation") and/or Statement of Work issued by Logicalis ("SOW") is an offer to sell software, hardware, and services sold by part number ("Products") and/or professional services, managed services or cloud services ("Services") to purchaser for its own internal use and not for resale ("CUSTOMER") and includes and is governed by these Terms and Conditions of Sale ("Terms of Sale"). For the avoidance of doubt, the term "services sold by part number" refers to services, which, although ordered from LOGICALIS, are purchased from and supplied by a vendor (i.e., LOGICALIS does not directly perform or control the work) and are therefore considered Products. LOGICALIS' Quotation and/or SOW and these Terms of Sale shall be deemed accepted by CUSTOMER upon LOGICALIS' receipt of a purchase order, a signed Quotation, a signed SOW, or a signed third party lease agreement for the purchase of Products and/or Services or through any other conduct that evidences the existence of a contract with respect to the Products and/or Services that are the subject of LOGICALIS' Quotation and/or SOW. Acceptance of LOGICALIS' Quotation and/or SOW and these Terms of Sale is expressly limited to the terms contained in LOGICALIS' Quotation and/or SOW and these Terms of Sale. LOGICALIS rejects any terms and conditions contained in CUSTOMER's forms that are additional to or different from those set forth in LOGICALIS' quotation and/or SOW or in these Terms of Sale.

Payment for Products is due thirty (30) days from the date of the invoice issued to the CUSTOMER and payment for Services is due thirty (30) days from the date of acceptance. In the event CUSTOMER chooses to finance the purchase of Products and/or Services from a third party leasing company, CUSTOMER remains liable for payment to LOGICALIS for all Products and Services purchased until LOGICALIS receives complete payment from such leasing company. Where the Quotation and/or SOW includes the purchase of both Products and Services, the transactions shall be deemed to be a separate for the supply of Products and the supply of Services.
