Hi Janet,

Application is still pending with us and your request for extension of time has been granted and I have filed it with the application.

Thank you,

Margie Stacy
Customer Service Representative
Arizona Department of Liquor Licenses & Control

Aimee:

We are having to continue the public hearing for Quick & Easy Shell from December 6 as they have not paid their public hearing fee. They were reminded by telephone and did not comply. We do not have another general business meeting until January 17 which is after the 60 days. Can you please extend this application to January 20, 2017? Please reply as soon as possible. Thanks.
