Jan:

The Planning Division has no objections to this one-time special event for SRWHMG, to be held at Superstition Harley-Davidson. Please advise applicants to keep all event day signage on private property and not in the right-of-way, or in such a manner that it obstructs pedestrian or vehicular traffic. Remove any such signs immediately following the event. Point any amplified music or loud-speakers away from the residential areas to the north. In the future, it would be informative to know how many people they expect at the event in case special traffic control accommodations need to be made.
